Q	Bidder Question	DMHAS Answer	RFP Section	Pg. #
1.	Must the client be a resident of one of the counties listed?	Priority must be given to residents of Gloucester, Cumberland, Salem, Burlington, Mercer, Camden, Atlantic, Cape May and Ocean Counties.	I. Purpose and Intent	3
2.	Must the Recovery Court referral come from one of the counties listed in the RFP?	The referral may come from a County not listed in the RFP.	I. Purpose and Intent	3
3.	Must the client be physically served in the counties listed or can the client be served in another county if they are a resident of one of the counties listed?	Yes, they must be served in Gloucester, Cumberland, Salem, Burlington, Mercer, Camden, Atlantic, Cape May and Ocean Counties.	I. Purpose and Intent	3
4.	What is the required number of beds for this contract?	Based on funding availability, the bidder must specify number of slots in their proposal.	I. Purpose and Intent	3
5.	Will any other FFS initiative funded beds be permitted (ie; SPB), or strictly for Recovery Court?	No, the slot-based beds are strictly for Recovery Court.	I. Purpose and Intent	3
6.	For the co-occurring enhancement, is this referencing the services already bundled in the bed day?	No, it is not referencing the services already provided in the bundled bed day. Enhancements are provided <u>in addition</u> to the per diem bundled services included in the bed day. Enhancement Services Packages (i.e. Co-occurring Enhancement Package) must have an authorization in addition to the HWH Level of Care authorization, provided <u>in addition</u> to the bundled services, and billed according to the billing/business	IV. Contract Scope of Work	6
