B. Cancellation of Pre-encumbrances

On July 30, 2021, after the close of business, OMB will cancel all pre-encumbrances (RAs, RPs and RDs) in non-continuing appropriation accounts within the General Fund. In anticipation of this action, agencies are encouraged to convert pre-encumbrances that represent legitimate Fiscal Year 2021 obligations to encumbrances with proper vendor numbers prior to July 30, 2021. Uncommitted balances created by canceled pre-encumbrances will either lapse or carry forward in accordance with the appropriation type on the appropriation record.

C. Deficit Balances

Chapter 131, P.L. 1989 established a penalty of prison or fines for purposely and knowingly over expending an appropriation. Any fiscal officer, business manager, or director of administration could be held liable under Chapter 131, P.L. 1989 if salary accounts (or any other accounts) are allowed to go into deficit without immediate corrective action. Therefore, it is the responsibility of each fiscal officer to make certain that no Fiscal Year 2021 appropriation account closes the fiscal year with a negative unobligated balance. Agency fiscal officers should not rely on last-minute processing of transfers and other accounting documents to relieve deficits. Preparation and submission of deficit relieving documents should begin immediately upon receipt of this circular. Because of the time constraints involved, all transfers requiring OLS approval must be submitted to OMB no later than July 16, 2021.

All deficits on the Appropriation Table must be resolved by July 30, 2021. OMB does not require the elimination of deficits on the Expense Budget Table.

D. Exemption from Fringe Benefit Charges

A non-State-funded salary account can be considered exempt in Fiscal Year 2022 from applicable fringe benefit charges, according to Circular 20-10-OMB. However, new/expired requests for such an exemption must be submitted to the Director of OMB for approval prior to July 30, 2021.

E. Indirect Cost Exemptions

Effective July 1, 2021, all existing waivers for the recovery of indirect costs will be canceled. If a waiver is desired, a new request must be submitted to the Director of OMB for approval. The waiver request must provide justification for the exemption, the dollar amount of the exemption, and the funding source. All waivers will be for one fiscal year only.

F. IXP2 for New Budget Fiscal Year

To ensure federal payroll charges are posted to the federal grant, agencies are reminded to update the fiscal year and/or reporting categories on IXP2 records for federal accounts by June 30, 2021. For any payroll posting to Fiscal Year 2022, agencies must submit FM & FAIT documentation to establish the new reporting categories or update the IXP2 to point back to the prior year appropriation. Payroll charges will hit the account identified in the NJCFS value of IXPR as the default.
