Use of a State-owned vehicle or a State-contracted rental vehicle is the preferred means of ground transportation. Mileage reimbursement for the use of a personal vehicle is not permitted when a State-owned vehicle is available or when a State-contracted rental vehicle is more cost effective.

If a State-owned vehicle is not available or a State-contracted rental vehicle is determined to be less cost effective on designated travel days, a personal vehicle may be used for official business.

Mileage allowance in lieu of actual expenses of transportation is allowed for an employee traveling by personal automobile on official business at the rate authorized by the State Appropriations Act.

In accordance with the Fiscal Year 2023 Appropriations Act and until further notice, the mileage reimbursement rate shall be \$0.47 per mile.
