## ARE YOU LOOKING FOR A JOB?

### Professional employment counselors

- Our counselors are available to help you find work in today's economy — at no cost. No matter what kind of job you had or what kind of job you're looking for, we'll help you develop a winning plan for your job search.

### One-Stop Career Centers in every county

- Visit any of our locations throughout New Jersey to meet an employment counselor, use our public computers to look for a job, or find out more about the other programs and services.

### Personal attention

- We offer many programs and services, especially for people who need extra help finding work. Be sure to tell your counselor if you fit into one of these groups: laid-off workers, youth, ex-offenders, people with limited English skills, and people without a high school diploma. Many offices also have vocational counselors for people with disabilities, and veterans representatives for former military personnel who are making the switch to civilian careers.

## NEED NEW SKILLS?

### Skills assessment

- Ask your counselor for a skills assessment to determine your strengths.

### No-cost computer tutorials

- Refresh your math, English or basic computer skills with free computer tutorials.

### Financial assistance

- You may be able to get help, tuition waivers, or training grants to learn skills that can help you qualify for a good job.

### Training

- Apprenticeships and on-the-job training build skills while providing a paycheck. Talk with your counselor about requirements for these opportunities.

## WANT TO POWER UP YOUR JOB SEARCH?
