Notice of Availability of Grant Program

Funds

Take Notice that, in compliance with N.J.S.A. 52:14-34.4 et seq., the Department of Labor and Workforce Development (hereinafter “the Department” or “LWD”) regularly publishes on its website at http://lwd.dol.state.nj.us/labor all notices of fund availability pertaining to federal or state grant funds, which may be awarded by the Department. The notices of fund availability may be found on the Department’s website under the heading “Research & Information” and the subheading “Grant Opportunities.”

The State of New Jersey is committed to addressing the needs of New Jersey businesses by enhancing the employability of New Jersey residents by building a skilled workforce through work-based learning initiatives.

A. Name of Grant Program

UPSKILL: NJ Incumbent Worker Training Grants

B. Purpose for which the grant funds will be used

UPSKILL: NJ Incumbent Worker Training Grant funds are competitively awarded to New Jersey employers to provide cost reimbursement assistance to train incumbent frontline employees to meet the current and future occupational skill requirements of available high wage, middle-skill and high-skill jobs in New Jersey. Grant funds are intended to achieve measurable outcomes for the employees trained, “seed” occupational skills training, and support New Jersey businesses in acquiring a skilled workforce. Grant funds are not intended for annual training or training that would otherwise be conducted without grant assistance.

C. Amount of Funding Available

The projected amount of funding available for this program in fiscal year 2020(FY20) is estimated to be $6,000,000. Final determination for funding is contingent upon authorization and availability. If additional funding becomes available, it will be included in the total amount available during the course of FY20.

Funding levels for grant awards will be based on the following criteria:

<table>
<thead>
<tr>
<th>Training Applications</th>
<th>Maximum Award</th>
</tr>
</thead>
<tbody>
<tr>
<td>Individual Employers</td>
<td>May apply for a maximum of $100,000</td>
</tr>
<tr>
<td>Industry-specific Consortiums</td>
<td>May apply for a maximum of $250,000 (Participating businesses are capped at $25,000 each)</td>
</tr>
</tbody>
</table>

If training needs exceed the maximum award amounts listed above, applicants may (with additional justification) request higher funding amounts. LWD will decide if requests exceeding maximum award amounts are supported by the justification provided.

UPSKILL: NJ Incumbent Worker Training Grants may contribute up to a maximum of a 50% match to training costs incurred by a New Jersey employer in one of two ways:

1. Reimbursement by clock hour of instruction received from a third-party training provider(s). The maximum reimbursement rate of $200 per clock hour (based on 10 or more trainees), for the direct training costs associated with third-party training delivery, includes:
   - Tuition fees;
   - Textbooks, software and other required materials;
   - Examination/Credentialing fees.

2. Reimbursement for 50% of the base wages of trainees participating in approved training conducted by the employer. (For individual employer applications only.)

LWD will give priority to businesses that are currently under procurement or a military contract with the United States Department of Defense, the United States Department of Veteran’s Affairs or any branch of the United States Armed Forces; or businesses who will provide training to veterans; or businesses who focus on the fields of science, technology, engineering and mathematics (STEM). Applicants must explain how they meet the criteria.

It is incumbent upon the grantee to provide sufficient documentation regarding such requests including documentation of its development and components and approval by the appropriate cognizant agency. LWD reserves the right to cap and deny any requests associated with pooled costs (i.e., general and administrative or indirect). Funding of the budgeted amount of the pooled costs in this agreement does not imply approval by LWD of the amount or method of calculation.
6) MATCHING AND COST SHARING

The grantee shall be required to account to the satisfaction of LWD for matching and cost sharing requirements in accordance with the agreement and federal and state requirements.

7) PROGRAM INCOME

Program income shall be defined as gross income earned by the grantee from grant-supported activities. Such earnings include, but will not be limited to, income from service fees, sale of commodities, usage or rental fees and royalties on patents and copyrights.

A) If a grantee receives interest earned of $250 or more in a fiscal year on advances of grant funds, see Chapter II-7-3 of the One-Stop Comprehensive Financial Management Technical Assistance Guide.

The grantee warrants that the prices agreed upon are not less favorable than those currently extended to any other customer for the same or similar articles in similar quantities. The grantee extends the same terms and conditions as extended to its most favored customers and final price includes all common reductions for discounts, rebates or other incentives. All goods procured under this agreement shall be name brand, first quality, new parts, unless otherwise specified.

9) PAYMENT METHOD

A) Payments to the grantee or on behalf of the grantee shall be issued only after the agreement has been executed. The grantee will provide sufficient documentation that action has been taken to carry out the terms and conditions of the agreement. Upon receipt of the requisite financial and narrative reports and other forms required by LWD and upon appropriate certification by the director of finance and accounting of LWD, LWD will pay the grantee per the agreement’s payment schedule.

B) A Payment Voucher (Form PV 6/93) form will be submitted in a form satisfactory to LWD, with supporting documentation that the contracted services are operational and will continue to be for the period specified in the agreement. At its discretion, LWD may request additional reports.

The grantee agrees to provide all reports specified in the agreement within the established timeframe and to the satisfaction of LWD. Financial reports are to be reported on the accrual basis of accounting.

11) STATE MONITORING, EVALUATION AND AUDIT

The following sections A to E pertain to all governmental, non-profit organizations and for-profit organizations:

A) The grantee agrees to cooperate with any monitoring, evaluation and/or audit conducted by LWD or their designees and authorized agents.

B) The grantee will maintain its records and accounts in such a way as to facilitate the preparation of financial statements in accordance with generally accepted accounting principles and the audits thereof and ensure that subgrantees also maintain records which are auditable. C) LWD reserves the right to build upon the audit received. Interim audits may be conducted at the discretion of LWD.

D) The grantee agrees to provide full access to their books and records and to submit to any audit or review of financial and compliance requirements of LWD.

The following sections F to M pertain to all governmental and non-profit organizations:

F) All grantees that expend $750,000 or more in federal financial assistance or state financial assistance within their fiscal year must have annual single audits or program-specific audits performed in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and state policy.

G) All grantees that expend less than $750,000 in federal or state financial assistance within their fiscal year, but expend $100,000 or more in state and/or federal financial assistance within their fiscal year, must have either a financial statement audit performed in accordance with Government Auditing Standards (Yellow Book) or a program-specific audit performed in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and state policy.

H) Program-specific audits in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards can be elected when a grantee expends federal or state awards under only one federal or state program and the federal or state program’s statutes, regulations, or terms and conditions of the grant award do not require a financial statement audit of the recipient.

I) All grantees that expend less than $100,000 in federal or state financial assistance within their fiscal year, but expend $50,000 or more in federal or state financial assistance within their fiscal year must have a special report applying agreed upon procedures including, but not limited to, reviewing and testing the cost and expenses incurred for which reimbursement was requested to determine their propriety under the contract and review of the training records which substantiate training was completed in accord with the contracts. The procedures to be followed will be provided by the department’s Office of Internal Audit.

J) Although Subpart F – Audit Requirements allows specific provisions for biennial audits; state policy continues to require all audits to be performed on an annual basis.

K) In addition to federal-required reports and opinions, grantee single audits must contain similar reports and opinions for state funds.

L) Grantee single audit reports must include a supplementary schedule of the entity’s state grant and state financial assistance programs. This schedule must show for each program:

The following section M pertains to for-profit organizations:

M) All grantees that expend $50,000 or more in federal or state financial assistance within their fiscal year must have either:

- A grant specific audit in accordance with Government Auditing standards (Yellow Book), or;
- A financial audit report conducted under generally accepted auditing standards which includes a separate report on compliance with contractual provisions, or;
- A special report applying agreed upon procedures including, but not limited to, reviewing and testing the cost and expenses incurred for which reimbursement was requested to determine their propriety under the contract and review of the training records which substantiate training was completed in accordance with the contracts. The procedures to be followed will be provided by the Department's Office of Internal Audit.

12) RECORDS

The grantee agrees to collect, maintain and, upon request, report equal opportunity information, including sex, age, disability, ethnicity, and race, for all individuals who apply for benefits or services financially assisted by the program. Such records must include, but are not limited to, records on applicants, registrants, eligible applicants and registrants, participants, ex-participants, employees and applicants for employment. The grantee agrees to record the race, ethnicity, sex, age and where known, disability status of every applicant, registrant, eligible applicant and registrant, participant, ex-participant, applicant for employment and employee. The grantee further agrees to comply with the requirements of 2 C.F.R 200.79 and 2 C.F.R 200.82 which governs the use of personally identifiable information (PII). Such information must be stored in a manner that ensures confidentiality and must be used only for the purposes of recordkeeping and reporting; determining eligibility, where appropriate; determining the extent to which the grantee is operating the program or activity in a nondiscriminatory manner; or other use authorized by law. Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

Retention – The grantee agrees to maintain all records pertinent to all grants, contracts and agreements, including financial, statistical, property and participant records and supporting documentation for a period of seven years from the date of the final expenditure report. The aforementioned records will be retained beyond the seven years if any litigation or audit is begun or if a claim is instituted involving the grant or agreement covered by the records. In these instances, the records will be retained until the litigation, audit or claim has been finally resolved. The grantee agrees to insure that subgrantees retain records in accordance with these requirements. In the event of the termination of the relationship between grantee and subgrantees, the grantee shall be responsible for the maintenance and retention of the records of any subgrantees unable to retain them.

Access – LWD may investigate any matter it deems necessary to determine compliance with state policy and/or procedures. The investigations authorized by this provision may include examining records (including making certified copies thereof), questioning employees and entering any premises or onto any site in which any part of a program of the grantee is conducted or in which any of the records of the grantee are kept.

13) PROCUREMENT STANDARDS

Procurement of supplies, equipment and other services with funds provided by this agreement shall be accomplished in a manner generally consistent with federal and state requirements.

Adherence to the standards contained in the applicable federal and state laws and regulations does not relieve the grantee of the contractual responsibilities arising under its procurements. The grantee is the responsible authority, without recourse to LWD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurement entered in support of a grant.
14) PROPERTY

The grantee is responsible and accountable for all equipment and property purchased with funds under this agreement, including purchases made by any subgrantee receiving payments on behalf of the grantee. The grantee agrees to provide the same security and safekeeping measures for property paid for under this agreement as the grantee provides for the same or similar property owned by the grantee. The grantee agrees to impose similar conditions upon any subgrantee engaged to provide services under this agreement.

All documents, patents, copyrights, data, studies, surveys, drawings, maps, models, photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the project are the property of LWD. Such material will be delivered to LWD upon request.

If the project is funded under WDP, all documents, patents, copyrights, data, studies, surveys, drawings, maps, models,

photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the grant are the property of said grantee. However, LWD retains the authority to review such material for the limited purpose of determining the extent and quality of performance under the grant. Such materials shall be reviewed by LWD upon notice given to the grantee and shall promptly be made available to LWD for inspection. LWD agrees to take all reasonable steps necessary to safeguard the grantee’s proprietary interest in these materials.

In addition, if the aforementioned items are developed pursuant to a grant or contract funded in whole or in part by federal funds, the federal agency which provided the funds reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant, and ii) and rights of copyright to which the grantee, subgrantee or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. If applicable, the following needs to be on all products developed in whole or in part with grant funds in accordance with the WIOA Annual Financial Agreement:

This workforce product was funded by a grant awarded by the U.S. Department of Labor’s Employment and Training Administration. This product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it. Internal use by an organization and/or personal use by an individual for non-commercial purposes are permissible. All other uses require the prior authorization of the copyright owner.

The rate of reimbursement for mileage allowed for employees of the grantee or subgrantee(s) traveling by personal automobile on official business shall be the rate set by the grantee’s policies that are in effect at the time of travel and may not exceed the Internal Revenue Service’s standard mileage rate in effect at the time of the travel. If the grantee has an executed collective bargaining agreement, the mileage rate shall not exceed the current Internal Revenue Service’s standard mileage rate. The current standard mileage rate can be found at the following website: http://www.irs.gov/Tax-Professionals/Standard-Mileage-Rates.

Reimbursements for meals, lodging and travel shall be in accordance with the grantee or subgrantee(s) written travel reimbursement policies not to exceed Federal per diem rates in effect at the time of the travel. The current per diem rates can be found at the following website: http://www.gsa.gov/portal/category/100120.
16) SUBCONTRACTING

All terms and conditions applicable to the grantee apply to any subcontractors or third parties hired by the grantee. None of the work or services covered by this agreement shall be subcontracted without the prior written approval of LWD. Any work or services contracted or subcontracted out hereunder shall be specified in detail by written contract or subcontract. The grantee agrees to impose similar conditions upon any subcontractor to ensure their compliance with all the terms and conditions of this agreement. LWD * retains the authority to review and approve or disapprove all contracts or subcontracts executed to provide the services for which the funds are being provided. At LWD’s request, the grantee will promptly forward copies of any contracts or subcontracts and fiscal, programmatic and other material pertaining to said subcontractee.

17) MODIFICATIONS

Modification to the agreement will be made in accordance with procedures prescribed by LWD effective at the time of submission of the modification.

A) The grantee agrees to submit a written modification for approval prior to changing any budget line item contained in this agreement.

B) LWD and grantee agree to make any changes to this agreement only through a written modification.

C) All modifications to this agreement will be appended to and become part of this agreement.

18) DISPUTES

The grantee agrees to attempt to resolve disputes arising from this agreement by administrative process and negotiations in lieu of litigation. The grantee assures performance of this agreement while any dispute is pending.

Any dispute which is not settled by informal means shall be decided by LWD, who shall reduce the decision to writing and mail or otherwise furnish a copy thereof to the grantee. The grantee shall be afforded an opportunity to be heard and to offer evidence in support of its position. Pending final decision of a dispute hereunder, the grantee shall proceed diligently with the performance under the agreement.

The dispute resolution mechanism described in this section is not exclusive. LWD and grantee preserve all rights in law and equity to pursue any claims that may arise.

This agreement shall be governed by and construed and enforced in accordance with the laws of the state of New Jersey.

19) SEVERABILITY

If any one or more provisions of the agreement are finally adjudicated to be unlawful or unenforceable by a court of competent jurisdiction, then this agreement shall be construed as if such unlawful provisions had not been contained herein.

20) TERMINATION

A) Termination for Convenience – LWD or grantee may request a termination for any reason. LWD or grantee shall give 90 days’ advance notice, in writing, to the other parties to this agreement of the effective date of such termination. The grantee shall be entitled to receive just and equitable compensation for any services satisfactorily performed hereunder through the date of termination.

B) Termination for Cause – LWD may terminate this agreement when it has determined that the grantee has failed to provide the services specified, or has failed to comply with any of the provisions contained in this agreement or approved application, or otherwise breached the terms of this agreement. If the grantee fails to perform in whole or in part under this agreement, or fails to make sufficient progress so as to endanger performance, or otherwise breaches the terms of this agreement, LWD will notify the other parties to this agreement of such unsatisfactory performance or breach in writing. The grantee has 10 working days in which to respond with a plan
agreeable to LWD for correction of the deficiencies. If the grantee does not respond within the appointed time with corrective plans satisfactory to LWD, LWD will serve a termination notice on the grantee which will become effective within 10 days after receipt. In the event of such termination, LWD shall only be liable for payment for services rendered prior to the effective date of the termination, provided such services are performed in accordance with the provisions of this agreement.

C) Termination or Reduction of Funds

1) The grantee agrees that major changes to this agreement, both in terms of program content and funding levels, may be required prior to its implementation or during the term of its operations due to new or revised legislation or regulations. The grantee agrees that any such changes deemed necessary by the commissioner of LWD shall be immediately incorporated into this agreement.

2) Unearned payments under this agreement may be suspended or terminated upon refusal to accept or satisfy any additional conditions that may be imposed by LWD at any time.

21) CONTRACT CLOSEOUT

A) The following definitions shall apply for the purpose of this section:

2) Date of Completion – The date by which all activities under the agreement are completed, or the expiration date in the grant award document, or any supplement or amendment thereto.

B) The grantee shall submit a closeout package per the terms of the agreement, unless otherwise extended by LWD, after completion of the agreement period or termination of the agreement. Closeout forms will be supplied by LWD.

C) The grantee will, together with the submission of the closeout package, refund to LWD any unexpended funds or unobligated (unencumbered) cash advances except such sums as have been otherwise authorized, in writing, by LWD to be retained.

D) Within the limits of the agreement amount, LWD may make a settlement for any upward or downward adjustments of costs after the final reports are received.

E) The grantee is responsible for those costs found to be disallowed, including those of any subgrantee paid from funds under this agreement, and LWD retains the right to recover any appropriated amount after fully considering the recommendations on disallowed costs resulting from the final audit, even if a final audit has not been performed prior to the closeout of the agreement.

F) The grantee shall account for any property received from LWD or acquired with funds under this grant, including any property received or acquired by a subgrantee under this grant.

22) PERFORMANCE

The grantee assures performance will be in accordance with, and within the period of, this agreement and will immediately report any conditions that may adversely affect performance to LWD as soon as they become known. Any fraud or suspected fraud involving granted funds must be reported to LWD within 48 hours of its discovery.

23) CONFLICTS OF INTEREST

The grantee shall avoid organizational conflicts of interest or the appearance of conflicts of interest in the conduct of procurement activities. Any gratuities offered by the grantee, its agent or representative to any officer, director or employee of LWD with a view toward securing this agreement or securing favorable treatment with respect to the awarding, amending or the making of any determination will render the agreement voidable at the option of LWD, and may justify further action under applicable state and/or federal laws.
24) BONDING AND INSURANCE

The grantee shall ensure that every officer, director or employee who is authorized to act on behalf of the grantee for the purpose of receiving funds into program accounts or issuing financial documents, checks or other instruments of payment is bonded to provide protection against loss.

25) AVAILABILITY OF FUNDS

The grantee shall recognize and agree that both the initial provision of funding and the continuation of such funding under the agreement is expressly dependent upon the availability to LWD of funds appropriated by the state Legislature from state and/or federal revenue or such other funding sources as may be applicable. A failure of LWD to make any payment under this agreement or to observe and perform any condition on its part to be performed under the agreement as a result of the failure of the Legislature to appropriate shall not in any manner constitute a breach of the agreement by LWD or an event of default under the agreement and LWD shall not be held liable for any breach of the agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from LWD beyond the duration of the award period set forth in the agreement and in no event shall the agreement be construed as a commitment by LWD to expend funds beyond the termination date set in the agreement.

26) LIABILITY

This agreement is subject to all of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq., the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. and the availability of appropriations.

The state of New Jersey does not carry any public liability insurance, but the liability of the state of tort claims against its employees is covered under the terms and provisions of the New Jersey Tort Claims Act. The act also creates a special self-insurance fund and provides for payment of claims against the state of New Jersey or against its employees for tort claims arising out of the performance of their duties for which the state is obligated to indemnify.

The grantee shall be solely responsible for and shall keep, save and hold the state of New Jersey harmless from all claims, loss, liability, expense or damage resulting from all mental or physical injuries or disabilities, including death to its employees or recipients of the grantee’s services or to any other persons or from any damage to any property sustained in connection with the delivery of the grantee’s services that results from any acts or omissions, including negligence or malpractice of any of its officers, directors, employees, agents, servants or independent contractors or from the grantee’s failure to provide for the safety and protection of its employees, whether or not due to negligence, fault or default of the grantee. The grantee’s responsibility shall also include all legal fees and costs that may arise from these actions. The grantee’s liability underthis agreement shall continue after the termination of this agreement with respect to any liability, loss, expense or damage resulting from acts occurring prior to termination.

Grant Specific Provisions
As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above general provisions.
