  Budget Summary Form
Take notice, in compliance with N.J.S.A. 52:14-34.4 et seq., the Department of Labor and Workforce Development (hereinafter “the NJDOL”) regularly publishes all notices of available funding for federal and state grants, awarded by the Department, on its website at https://nj.gov/labor/.

A. NAME OF GRANT PROGRAM
Summer Youth Employment Program (SYEP)

B. PURPOSE OF THE GRANT
The NJDOL Office of Youth Programs understands the potential of meaningful summer work experience programs to combat poverty, youth unemployment, and youth crime rates by introducing youth to career pathway opportunities. Therefore, the 2020 Summer Youth Employment Program (SYEP) is being funded to provide in-school and out-of-school youth, ages 16-24, with valuable summer internships in order to help them successfully transition to the world of work.

C. AVAILABLE FUNDING
The SYEP funding will be made available through Workforce Innovation and Opportunity Act (WIOA) Set-Aside funding streams. The total amount of funding available for this program in Fiscal Year 2020 (FY 2020) is $3,000,000. These funds will be incorporated into Program Year 2019 Workforce Development Area Contracts, and are governed by NJDOL’s Standard Assurances and Certifications and General Provisions.

The grant is expected to begin on May 1, 2020. All funds must be fully expended by October 30, 2020.

The program cost per participant is $2,400, which includes $2,300 for participant stipends and $100 for workforce readiness. Applicants may also add administrative costs of up to 10% of the total grant program costs. For example, the cost breakdown of an application seeking to serve 50 participants would be as follows:

\[(50 \times $2,400 \text{ per participant}) + 10\% = $132,000 \text{ total grant funds requested.}\]

Final awards are contingent upon State allocation of funds. The applicant’s budget must be well considered, necessary for the implementation of the program, and within the funding parameters. Final amounts will be determined at the time of pre-contract revisions. Ineligible, inappropriate or undocumented costs will be removed from the funding request.

SYEP programs may be considered for a continuance of up to an additional year, contingent upon successful performance of the program/grantees and upon the availability of funds.

D. ELIGIBLE APPLICANTS
This targeted, competitive opportunity is open to all local Workforce Development Boards in New Jersey.
All applications must establish a lead agency. The lead agency serves as the applicant agency of record, the legally recognized fiscal agent for the grant project, and the single point of contact for NJDOL. The lead agency will be expected to coordinate all aspects of the grant, i.e., outreach and recruitment; program services; project and spending plan; grant project monitoring and reporting; and fiscal management.

E. TARGETED POPULATIONS
Applications must target in-school and out-of-school youth ages 16-24.

F. PROGRAM SERVICES
The goal of the SYEP is to provide youth and young adults with valuable internships and help them to successfully transition to the world of work. Grantees must support and implement the following:

Program Goals and Objectives

- To enlist public and private partners to connect young adults ages 16-24 to paid internships and work experiences in high growth industries and occupations that are in line with each local area’s plan.

- To provide a total of 35 hours of workforce readiness training which includes topics such as: soft skills training, financial literacy, resume building, entrepreneurship skills, diversity training, and prevention of workplace harassment training.

- To provide exposure to different careers and an opportunity to (1) gain hands-on work experience; (2) earn a paycheck; (3) prepare for a future career; (4) interact with employers; (5) learn about community resources; and (6) receive supportive services.

- To provide a positive experience for both employer and employee.

Program Requirements

- Intern work experience period must be any consecutive 8-week period between Monday, June 1, 2020 and Friday, October 2, 2020.

- Interns must participate 25 hours per week, 200 hours over eight weeks, and earn a payment of $11.50/hour. Weekly participation may include internship hours as well as workforce readiness hours.

- Interns must attend a program orientation prior to placement, where policies pertaining to short-term employment such as time and attendance policies, call-off policies, dress code policy, code of conduct, discipline/termination, pay schedule etc. are reviewed.

- Grantees must maintain files for all participants, including: signed acceptance of program policies provided at orientation, intake form, program eligibility documentation,
internship placement documentation, validated participation timesheets, working papers (if under 18 years of age), and exit evaluation form.

- Grantee must ensure worksites for youth adhere to current workforce safety guidelines and applicable federal/state wage and labor laws.

- Must maintain files for worksite sponsors, including worksite agreements, security clearances, and final employer satisfaction survey. Worksites accepting interns under the age of 18 must ensure that the supervisor and anyone having on-going direct contact with any minor throughout the internship has proper up-to-date clearance and has passed a background check.

G. PROGRAM OUTCOMES AND REPORTING
All programs are expected to report on a number of outputs and outcomes including but not limited to:

- Total number and demographics of young adults served.
- How many interns were classified as in-school/out-of-school?
- For how many interns was SYEP 2020 their first job/work experience?
- Number of businesses/worksites that hosted SYEP interns.
- Summary of workforce readiness activities.
- Were any SYEP interns hired permanently with their business/employer worksite post-SYEP, and were they FT or PT?

Grantees will be required to collect and report specific data regarding demographics and services provided to each participant. The grantees will be required to enter and track the data in AOSOS. The guidance for reporting into AOSOS will be provided to the grantee upon awarding of funds.

Grantees will be reimbursed through their local area fiscal reporting.
