Acceptance of Program Requirements
Take notice, in compliance with N.J.S.A. 52:14-34.4 et seq., the Department of Labor and Workforce Development (hereinafter “NJDOL”) regularly publishes all notices of available funding for federal and state grants, awarded by the Department, on its website at http://lwd.dol.state.nj.us/labor.

A. NAME OF GRANT PROGRAM
   New Jersey Youth Corps (NJYC)

B. PURPOSE OF THE GRANT
   The purpose of the NJYC program is to implement a statewide coordinated service system designed to help disconnected out-of-school youth, ages 16-25, without a high school diploma, reengage in educational, training and employment opportunities for a sustainable long-term career development. NJYC will provide full-time, cohort-based education and service learning, individual counseling, and transition services designed to help Corpsmembers resolve barriers, obtain a High School Diploma (by way of equivalency exam) or other measurable skill gain, and transition to a qualified post-corps placement along an identified career pathway.

C. AVAILABLE FUNDING
   The NJYC program is expected to be funded by the State annual appropriations act, Workforce Investment Opportunity Act (WIOA) State set-aside, and a supplemental amount made available to NJDOL by the Department of Human Services (DHS) pursuant to 45 CFR 260 et seq. This NGO serves as the first year of a four-year grant cycle. The amount of year one funding expected to be available for Fiscal Year (FY) 2022 (July 1, 2021 – June 30, 2022) is $5,300,000. Funding is contingent upon passage of the State FY 2022 Appropriations Act, receipt of federal WIOA State set-aside funds and the transfer of funds from the DHS. It is anticipated that no more than one grantee will be awarded per county.

   The total grant amount may not exceed $10,400 per Corpsmember, and applications must propose to enroll no less than 25 Corpsmembers. (Example: An applicant requesting to serve 35 Corpsmembers for a total grant request of $315,000 would result in an allowable cost per of $9,000. An applicant requesting to serve 35 Corpsmembers for $385,000 would result in a cost per of $11,000, and would NOT be allowable.)

   Final amounts will be determined at the time of pre-contract revisions. Ineligible, inappropriate or undocumented costs will be removed from the funding request.

   The grant period for year one will be a 12-month duration and is estimated to begin on July 1, 2021. All funds must be fully expended by June 30, 2022. For each successive year of the grant cycle, the approved applicant will be required to apply for continuation funding.

D. ELIGIBLE APPLICANTS
   This is a new four-year competitive grant program open to:
   • local education agencies
   • two and four-year colleges
   • private and public non-profit agencies
   • county and municipal governments.
Applicants must have the capacity to operate this program for the full duration of the four-year cycle, and must be in good standing with NJDOL’s Division of Employer Accounts. Any organization that has an outstanding liability to NJDOL will not be able to have its contract executed by NJDOL until the liability is resolved.

PLEASE NOTE: All guidelines and required forms in this document are accessible through hyperlinks on the Table of Contents page, which appear in blue font and are underlined.

E. REQUIREMENTS TO APPLY

4. 100 percent of Corpsmembers must achieve at least one Measurable Skill Gain, defined as:
   ▪ Growth of one grade level in either subject of Reading or Math, based on approved standardized test; or
