A. NAME OF GRANT PROGRAM

New Jersey Innovation and Research Fellowship Program

B. PURPOSE FOR WHICH THE GRANT FUNDS WILL BE USED

The Innovation and Research Fellowship Program (IRFP) grant funds are provided to support technological and scientific research in New Jersey and encourage Ph.D. candidates and Ph.D. graduates to continue their research in fellowship with New Jersey's science and technology companies.

The IRFP grant monies shall be used by the grantee employer primarily as salary for the Fellow. Upon presenting reasonable justification within the IRFP grant application, the employer-applicant may include expenditures for equipment and/or conference attendance in an amount that is no more than five percent of the total salary amount.

Research Fellowship grants may be issued for up to two years and shall be used primarily for research and innovation. Under no circumstances shall the grantee employer use IRFP grant monies for administrative costs or capital purchases.

C. AVAILABLE FUNDING

The amount of funding available in the Fiscal Year 2025 is estimated to be \$2,300,000. The source of funds is the Workforce Development Partnership Fund pursuant to section 9 of P.L. 1992, c.43 (C.34:15D-9). Subject to the availability of funding the grant period may cover up to 24 months.

Final awards are contingent upon the State's allocation of funds and the employer-applicant's needs. The applicant's demonstrated need must address the scientific and technological viability of the employer's business products(s), service(s), and/or process(s) and the employer's technical ability and capacity to implement such. The applicant must also state how the fellowship grant will enable the Fellow applicant to work with a mentor to help the company meet its commercialization goals to benefit New Jersey's innovation ecosystem.

Funding for First-Year Fellowship

The grant-funded salary level for the Fellowship is disbursed quarterly in the first year up to \$85,000. The IRFP grant award does not restrict the employer-grantee to pay the Fellow a yearly salary more than provided through the grant. If the employer-grantee pays the Fellow less than \$85,000 for the Fellow's salary in the first year of the grant, rollover of the grant funds allocated for year one of the contract to year two of the contract is not permitted.

Note: The Fellow will be considered an employee when hired and shall receive all benefits given to other employees within the company of employment. The Fellowship funds dispersed through this grant are to be used exclusively for the Fellow's salary and may not be applied to fringe benefits.

Funding for Second Year Fellowship with Company Match Requirement

Funding for the second year is non-competitive but is based on approval of the NJDOL's review of the first year's progress and availability of funds. The grant calculation for the second year is based on the Fellow receiving a yearly salary of at least \$95,000 in the second year. In the second year, the NJDOL will pay up to \$95,000 disbursed quarterly toward the Fellow's salary, and the participating company is required to contribute at least \$25,000 toward the Fellow's salary. The IRFP grant does not restrict the employer from paying the Fellow a salary more than provided through the grant, but the employer must contribute \$25,000 in the second year of the grant. *Employer-applicants shall indicate in the application they will provide \$25,000 towards the Fellow's yearly salary in the second year of funding.*

D. ELIGIBLE APPLICANTS

The NJDOL shall work in consultation with the New Jersey Economic Development Authority to fund, no less than 20 fellowships, administered by the department, which focus on information technology research and scientific innovation. The fellowships may be provided to entities, of which at least eight shall be large businesses, employing more than 25 people and eight shall be small businesses, employing from two to 24 people. The remainder of fellowships may be considered according to the discretion of the NJDOL. The IRFP grant will be authorized on the availability of funding and according to the discretion of the NJDOL's commissioner.

The procedures to be followed will be provided by the NJDOL's Office of Internal Audit.
- J) Although Subpart F – Audit Requirements allows specific provisions for biennial audits; state policy continues to require all audits to be performed on an annual basis.

In these instances, the records will be retained until the litigation, audit or claim has been finally resolved. The grantee agrees to insure that subgrantees retain records in accordance with these requirements. In the event of the termination of the relationship between grantee and subgrantees, the grantee shall be responsible for the maintenance and retention of the records of any subgrantees unable to retain them.

However, NJDOL retains the authority to review such material for the limited purpose of determining the extent and quality of performance under the grant. Such materials shall be reviewed by NJDOL upon notice given to the grantee and shall promptly be made available to NJDOL for inspection. NJDOL agrees to take all reasonable steps necessary to safeguard the grantee's proprietary interest in these materials.

In addition, if the aforementioned items are developed pursuant to a grant or contract funded in whole or in part by federal funds, the federal agency which provided the funds reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant, and ii) and rights of copyright to which the grantee, subgrantee or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Any dispute which is not settled by informal means shall be decided by NJDOL, who shall reduce the decision to writing and mail or otherwise furnish a copy thereof to the grantee. The grantee shall be afforded an opportunity to be heard and to offer evidence in support of its position. Pending final decision of a dispute hereunder, the grantee shall proceed diligently with the performance under the agreement.

The dispute resolution mechanism described in this section is not exclusive. NJDOL and grantee preserve all rights in law and equity to pursue any claims that may arise.

This agreement shall be governed by and construed and enforced in accordance with the laws of the state of New Jersey.

- A) Termination for Convenience – NJDOL or grantee may request a termination for any reason. NJDOL or grantee shall give 90 days' advance notice, in writing, to the other parties to this agreement of the effective date of such termination. The grantee shall be entitled to receive just and equitable compensation for any services satisfactorily performed hereunder through the date of termination.
- B) Termination for Cause – NJDOL may terminate this agreement when it has determined that the grantee has failed to provide the services specified, or has failed to comply with any of the provisions contained in this agreement or approved application, or otherwise breached the terms of this agreement. If the grantee fails to perform in whole or in part under this agreement, or fails to make sufficient progress so as to endanger performance, or otherwise breaches the terms of this agreement, NJDOL will notify the other parties to this agreement of such unsatisfactory performance or breach in writing. The grantee has 10 working days in which to respond with a plan agreeable to NJDOL for correction of the deficiencies. If the grantee does not respond within the appointed time with corrective plans satisfactory to NJDOL, NJDOL will serve a termination notice on the grantee which will become effective within 10 days after receipt. In the event of such termination, NJDOL shall only be liable for payment for services rendered prior to the effective date of the termination, provided such services are performed in accordance with the provisions of this agreement.
- C) Termination or Reduction of Funds
 - 1) The grantee agrees that major changes to this agreement, both in terms of program content and funding levels, may be required prior to its implementation or during the term of its operations due to new or revised legislation or regulations. The grantee agrees that any such changes deemed necessary by the commissioner of NJDOL shall be immediately incorporated into this agreement.
 - 2) Unearned payments under this agreement may be suspended or terminated upon refusal to accept or satisfy any additional conditions that may be imposed by NJDOL at any time.

21) CONTRACT CLOSEOUT

- A) The following definitions shall apply for the purpose of this section:
- 1) Contract Closeout – The closeout of an agreement is the process by which NJDOL determines that all applicable administrative actions and all required work of the agreement have been completed by the grantee.
 - 2) Date of Completion – The date by which all activities under the agreement are completed, or the expiration date in the grant award document, or any supplement or amendment thereto.
- B) The grantee shall submit a closeout package per the terms of the agreement, unless otherwise extended by NJDOL, after completion of the agreement period or termination of the agreement. Closeout forms will be supplied by NJDOL.
- C) The grantee will, together with the submission of the closeout package, refund to NJDOL any unexpended funds or unobligated (unencumbered) cash advances except such sums as have been otherwise authorized, in writing, by NJDOL to be retained.
- D) Within the limits of the agreement amount, NJDOL may make a settlement for any upward or downward adjustments of costs after the final reports are received.
- E) The grantee is responsible for those costs found to be disallowed, including those of any subgrantee paid from funds under this agreement, and NJDOL retains the right to recover any appropriated amount after fully considering the recommendations on disallowed costs resulting from the final audit, even if a final audit has not been performed prior to the closeout of the agreement.
- F) The grantee shall account for any property received from NJDOL or acquired with funds under this grant, including any property received or acquired by a subgrantee under this grant.

22) PERFORMANCE

The grantee assures performance will be in accordance with, and within the period of, this agreement and will immediately report any conditions that may adversely affect performance to NJDOL as soon as they become known. Any fraud or suspected fraud involving granted funds must be reported to NJDOL within 48 hours of its discovery.

23) CONFLICTS OF INTEREST

The grantee shall avoid organizational conflicts of interest or the appearance of conflicts of interest in the conduct of procurement activities. Any gratuities offered by the grantee, its agent or representative to any officer, director or employee of NJDOL with a view toward securing this agreement or securing favorable treatment with respect to the awarding, amending or the making of any determination will render the agreement voidable at the option of NJDOL, and may justify further action under applicable state and/or federal laws.

24) BONDING AND INSURANCE

The grantee shall ensure that every officer, director or employee who is authorized to act on behalf of the grantee for the purpose of receiving funds into program accounts or issuing financial documents, checks or other instruments of payment is bonded to provide protection against loss (see footnote, page 27).

25) AVAILABILITY OF FUNDS

The grantee shall recognize and agree that both the initial provision of funding and the continuation of such funding under the agreement is expressly dependent upon the availability to NJDOL of funds appropriated by the state Legislature from state and/or federal revenue or such other funding sources

as may be applicable. A failure of NJDOL to make any payment under this agreement or to observe and perform any condition on its part to be performed under the agreement as a result of the failure of the Legislature to appropriate shall not in any manner constitute a breach of the agreement by NJDOL or an event of default under the agreement and NJDOL shall not be held liable for any breach of the agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from NJDOL beyond the duration of the award period set forth in the agreement and in no event shall the agreement be construed as a commitment by NJDOL to expend funds beyond the termination date set in the agreement.

26) LIABILITY

This agreement is subject to all of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq., the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. and the availability of appropriations.

The state of New Jersey does not carry any public liability insurance, but the liability of the state of tort claims against its employees is covered under the terms and provisions of the New Jersey Tort Claims Act. The act also creates a special self-insurance fund and provides for payment of claims against the state of New Jersey or against its employees for tort claims arising out of the performance of their duties for which the state is obligated to indemnify.

The grantee shall be solely responsible for and shall keep, save and hold the state of New Jersey harmless from all claims, loss, liability, expense or damage resulting from all mental or physical injuries or disabilities, including death to its employees or recipients of the grantee's services or to any other persons or from any damage to any property sustained in connection with the delivery of the grantee's services that results from any acts or omissions, including negligence or malpractice of any of its officers, directors, employees, agents, servants or independent contractors or from the grantee's failure to provide for the safety and protection of its employees, whether or not due to negligence, fault or default of the grantee. The grantee's responsibility shall also include all legal fees and costs that may arise from these actions. The grantee's liability under this agreement shall continue after the termination of this agreement with respect to any liability, loss, expense or damage resulting from acts occurring prior to termination.
