**Notice of Availability of Grant Program Fund**

Take Notice that, in compliance with N.J.S.A. 52:14-34.4 et seq., the New Jersey Department of Labor and Workforce Development (hereinafter “the Department” or “NJDOL”) regularly publishes on its website all notices of fund availability pertaining to federal or state grant funds, which may be awarded by the Department. The notices of fund availability may be found on the Department’s website under the heading “Research & Information” and the subheading “Grant Opportunities” - <https://www.nj.gov/labor/research-info/grants.shtml>.

**A. NAME OF GRANT PROGRAM**

Job Opportunities for Building Success (JOBS) is a competitive grant offered by the New Jersey Department of Labor.

**B. PURPOSE FOR WHICH THE FUNDS WILL BE USED**

Grant funds will be awarded to selected applicants responding to this competitive Notice of Grant Opportunity (NGO). The purpose of JOBS is to fund services for Justice-impacted individuals whose involvement with the justice system has impeded their successful reentry into the workforce. Participants are eligible to receive career services, training, paid internships, apprenticeships, and supportive services (for example, transportation, ID obtainment, and clothing) to increase employment opportunities.

Individuals who have been impacted by the justice system often face distinct challenges when reintegrating into the workforce. They may encounter various obstacles that necessitate tailored support and personalized strategies to facilitate successful employment placement and retention. By providing these specialized services, we can help bridge the gap and strengthen the opportunities available to them.

The grant seeks to award a total of six recipients statewide.

Grant funds will be awarded to selected applicants responding to this competitive Notice of Grant Opportunity (NGO). Selected applicants to this NGO will be responsible for managing the recruitment, enrollment, coaching, training, employment, and retention of program participants.

**Goals of JOBS**

JOBS is an Employment and Training Program. **The main goal of this NGO is to promote successful reentry of justice-impacted participants into the workforce.** This competitive NGO is being made available to accomplish the following goals:

- **Partnership:** Develop partnerships with justice-impacted entities to (1) support enrollment of target populations, (2) strengthen career coaching/mentoring practices, and (3) ensure connection to critical supportive services, such as identification obtainment and transportation.

- **Individual Employment Plan:** Ensure, per participant's IEP, the timely delivery of appropriate and necessary career-training, and supportive services to Justice-impacted individuals.
- **Career Coaching:** Provide ongoing and consistent career coaching/mentoring, initiated by the Individual Employment Plan (IEP), to help participants navigate career pathways and guide them towards successful employment placement.
- **Outcomes:** Help participants navigate to successful outcomes, including the attainment of industry-recognized credentials and entry and advancement in career path and employment.
- **Virtual Services:** Offer training and career coaching/mentoring via digital platforms to ensure participant accessibility.
- **Internships:** Provide placement into internships to help participants gain work experience and possible opportunities for employment.
- **Employer Network:** Partner with employers to increase unsubsidized employment opportunities and retention.
- **Evaluation and Learning:** Use data and evidence to track outcomes and improve how participants utilize JOBS funds.

## C. AVAILABLE FUNDING

It is essential that the applicant carefully construct result-oriented goals and objectives, together with the program description and budget, providing a comprehensive plan for the successful accomplishment of the program.

All applicants are considered new applicants for this funding cycle, and will be evaluated on quality, comprehensiveness, completeness, accuracy, and appropriateness of response to the NGO.

Applicants under this grant program must provide a narrative describing their organizational capacity, resources, commitment, and any demonstrated employment, retention, and employer relationship successes in working with the targeted population of this grant. Such information is to be included as part of the applicant's "Narrative" section of the application.

## **I. APPLICATION SUBMISSION**

Successful proposals must be responsive to the NGO and meet all technical capacity and fiscal viability requirements as described. Applications are submitted and awards are managed through NJDOL's online grant system, the System for Administering Grants Electronically (SAGE) IGX. Applications are submitted online via IGX at [Njdol.intelligrants.com](http://Njdol.intelligrants.com).

Applicants must determine who will serve as the Authorized Official (AO) for this grant application. The AO must:

- Be authorized to enter into a contractual agreement on behalf of the company.
- Read and understand the FY2026 Notice of Grant Opportunity (NGO).
- Register (create an account) in the System to Administer Grants Electronically (SAGE) IGX and submit a Letter of Intent (LOI) to apply for FY2026 JOBS grant.

The AO may delegate completion of the application to others by giving access in IGX but should be aware that responsibility for the contract remains with the AO for the life of the grant.

Applicants interested in applying for the JOBS grant **must** submit a LOI to express interest in the grant opportunity. This notification allows NJDOL to have sufficient resources in place to carefully review each proposal and to obtain access to the application in IGX. Applicants **must** complete, sign, and submit a LOI as soon as the applicant is interested in applying for the grant opportunity. A sample LOI can be found below. The completed and signed LOI **must** be emailed as an attachment to [JOBS@dol.nj.gov](mailto:JOBS@dol.nj.gov).

Incorrect or missing information or failure to register in IGX will delay the processing of the LOI, which will delay access to the online application. Once the Authorized Official is registered and approved in IGX, applicants can then proceed to enter the required information and documentation in the IGX system.

### **Mandatory Technical Assistance Session**

NJDOL will provide a mandatory technical assistance (TA) session via Microsoft Teams to potential applicants. General guidance on completing the required documents, budget forms and an overview of IGX will be provided.
