Job Description

The Office of Information Management, Services and Solutions (OIMSS) is seeking two Information Technology Specialists to join its eForms team. This position will support the design, implementation, and maintenance of electronic forms and automated workflows that streamline business processes, improve the user experience, and enhance operational efficiency across the Department.

Key Responsibilities:

- Design, develop, configure, and maintain electronic forms and automated workflows using eForms platforms.
- Collaborate with business and technical teams to gather requirements, document specifications, and translate business needs into effective eForms and workflow solutions.
- Analyze business processes and identify opportunities to improve efficiency through electronic forms and workflow automation.
- Create dashboards and reports to track eForms usage, workflow activity, performance, and progress.
- Maintain technical and functional documentation for eForm configurations, workflows, integrations, and supporting processes.
- Define application capabilities and limitations for end users and recommend solutions for effectively using eForms and workflow systems.
- Conduct testing and quality assurance activities to confirm that solutions meet functional and technical requirements.
- Track, troubleshoot, and resolve application issues to support system performance and reliability.
- Assist with system integrations and the exchange of data between eForms platforms and other applications.
- Stay informed of developments in eForms technology and workflow automation and recommend enhancements where appropriate.
- Perform other related duties as required to support OIMSS initiatives and departmental business processes.

Desired Skills:

- Experience designing, developing, or implementing electronic forms and automated workflows using SimpliGov or a similar platform.
- Knowledge of workflow automation, requirements gathering, and business process improvement.
- Strong analytical, troubleshooting, and problem-solving skills.
- Excellent attention to detail and the ability to manage multiple assignments.
- Strong written and verbal communication skills, including the ability to explain technical concepts to nontechnical users.
- Ability to collaborate effectively with business users, technical teams, and other stakeholders.
- Familiarity with application integrations, data exchange, and related IT concepts.
- Experience with Cascading Style Sheets (CSS), OAuth, and application programming interfaces (APIs) is preferred.

Civil Service Commission Requirements (Education/Experience/Licenses)

EDUCATION: Graduation from an accredited college or university with an Associate's degree in Computer Science or Computer/Information Technology.

EXPERIENCE: One (1) year of experience in at least one of the following areas: the design and preparation of programs for electronic data processing utilizing current operating systems, modification of systems software and multiprogramming technology; or the development, maintenance, or installation of application programs; or in performing technical support functions within a direct access device environment, or the development, implementation, and maintenance of multi-network, multi-user Local Area Networks (LAN), Metropolitan Area Networks (MAN), and/or Wide Area Networks (WAN) environment.

NOTE: Technical support functions include experience in resolution of online production and/or communications network problems, and/or code modification, testing, and debugging of program modules in an online environment, and/or space allocation and control of direct access storage devices (DASD management).

NOTE: A Bachelor's or Master's degree in Computer Science may be substituted for one (1) year of indicated experience.

NOTE: A general Bachelor's degree from an accredited college or university may be substituted for the Associate's degree.

SPECIAL NOTE ON SUBSTITUTING EXPERIENCE FOR EDUCATION

Experience in the study of work methods/processes, analysis of varied types of data, design and preparation of systems/programs, operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

NOTE: Evidence of formal training in Computer Science/Information Technology received at an accredited institution may be submitted with your application for evaluation by the Department of Personnel for possible credit. These training courses will be examined to see how they compare, both in hours/content, to college courses to which they equate, sixteen (16) training hours being equal to one (1) college credit. In house training courses will not be accepted as meeting this criterion; thus, they will not be evaluated.

RESUME NOTE: Eligibility determinations will be based only upon information presented on the resume along with other supporting documents. Applicants who possess a degree from a college or university outside the United States must provide an evaluation of the transcripts from a recognized evaluation service at the time of submission. Failure to do so may result in your ineligibility.

LICENSE: Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

VETERANS PREFERENCE: Are you a veteran? If so, proof of your NJ Veterans Preference is required at application. Please provide a copy of your New Jersey Civil Service Commission NOTIFICATION OF VETERANS STATUS along with your cover letter and resume. For information on how to apply for Veterans Preference in the State of NJ, please visit the Civil Service Commission.

SAME APPLICANTS: If you are applying under the NJ "SAME" program, your supporting documents (Schedule A or B letter), must be submitted along with your resume by the closing date indicated above. For more information on the SAME Program visit their Website at: <https://nj.gov/csc/same/overview/index.shtml> , email: SAME@csc.nj.gov , or call CSC at (609) 292-4144 , Option 3.

The New Jersey Department of Labor and Workforce Development requires the disclosure of all relatives and consensual personal relationships to be promptly reported directly to the Division of Human Capital Strategies (HCS), Director's Office. Confidentiality shall be maintained to the extent possible and practicable. This information may be shared with NJ DOL's Equal Employment Opportunity Office and/or the NJ DOL Ethics Office as deemed necessary. Upon receiving notice of the relationship, HCS may address any situation as necessary in consultation with the EEO Office and/or the Ethics Officer. This may include, but is not limited to, the changing of reporting relationships or transferring any of the employees involved. Failure to provide notification to HCS may result in discipline up to and including termination and the denial of legal representation and indemnification by the State in the event that a lawsuit is filed having a connection with a personal relationship. Employees are under a continuing obligation to promptly report personal relationships that develop during the course of their employment.

☐ **I DO NOT** have a relative or a consensual personal relationship, as defined above, with anyone working for the New Jersey Department of Labor and Workforce Development.
