REIMBURSEMENT PROGRAMS

About Tuition Reimbursement Programs

The New Jersey Department of Labor (NJDO) currently offers two paths you can take to advance your education and career, the *Higher Education and Career Development* programs. Both paths offer **100% tuition reimbursement** for up to 6 credits per semester! Review details for each program below:

Higher Education Program

The Higher Education Program is ideal for NJDO employees seeking to obtain an Associate in Applied Science Degree in Business Studies (AAS).

- This program is conducted in a cohort format in conjunction with Mercer County Community College (MCCC).
- To be reimbursed, you must achieve a grade of C or higher for the approved course.

Career Development Program

The Career Development Program is designed for employees interested in attaining an undergraduate or graduate degree.

- Flexible choice of accredited institutions.
- Reimbursement amount is based on the cost per credit at Rutgers University (RU).
- To be reimbursed, you must achieve a course grade of C or higher (**undergraduate**) or a B- or higher (**graduate**).

NJDO employees must be permanent, in good standing, and have completed at least nine (9) months of service with the Department. Expenses for required textbooks will be reimbursed at a maximum amount of \$500.00 per semester.
