

Dear ENT Doctor, Audiologist/Hearing Aid Dispenser/

Thank you for expressing interest in providing services to our consumers. The NJ State Department of Labor and Workforce Development, Division of Vocational Rehabilitation assists individuals with disabilities to obtain and maintain employment. One of the services we pay for are hearing aids with the sole purpose to assist that individual with obtaining and/or maintaining employment.

Medical clearance documentation for hearing aids from an ENT doctor, hearing evaluations, hearing aid evaluations, and the purchase of hearing aids are all services we assist with. Hearing aids are based on financial need. Our consumers must use insurance for any service before DVR will consider payment. All services must be pre-authorized through the DVR Counselor in the local DVR office prior to you, the vendor, rendering the service.

The following list indicates the fees DVR reimburses for each service:

Audiological Evaluation and Report	\$150
Dispensing Fee Binaural	\$800
Dispensing Fee Monaural	\$425
Earmolds (all types)	\$50 each
Hearing Aid Evaluation and Report	\$100
Hearing Aids	Wholesale Cost/ Manufacturer Cost list required
Otological Exam	\$108 (wax removal included)

In order to get reimbursed for any service, there are particular DVR forms that will need to be completed for each consumer and sent to the DVR Counselor along with the signed payment voucher.
