Take Notice that, in compliance with N.J.S.A. 52:14-34.4 et seq., the Department of Labor and Workforce Development (hereinafter “the Department” or “LWD”) regularly publishes on its website, at <http://nj.gov/labor>, all notices of fund availability pertaining to federal or state grant funds which may be awarded by the Department. The notices of fund availability may be found on the Department’s website under the heading “Public Notices” and the subheading “Notice of Availability of Grant Program Funds”.

A. NAME OF GRANT PROGRAM

Women and Minority Groups in Construction Trades

B. PURPOSE FOR WHICH THE FUNDS WILL BE USED

Women and Minority Groups in Construction Trades grant will assist in providing greater employment opportunities for women and minority groups, residing in New Jersey, by providing pre-apprenticeship training, workforce readiness/employability, and a structured work experience which will emphasize vocational-based training for entry-level skills in the construction trades.

In order to meet the employment needs of existing trade unions and private contractors, this funding will only support partnerships with trade unions and private contractors in the development and provision of pre-apprenticeship training and the placement of individuals with labor unions and private contractors to meet their workforce needs.

There are fifteen (15) affiliated construction trades occupations in the construction industry. The following 15 occupations have the greatest opportunity for employment based upon projected growth and placement data. Proposals must focus on construction training for women and minorities which will lead to apprenticeship and/or employment in the following occupations:

O*NET Code	Occupation
47-2011.00	Boilermakers
47-2021.00	Bricklayers
47-2031.00	Carpenters
47-2111.00	Electricians
47-4021.00	Elevator Constructors
47-2141.00	Finishing Trades (Painters, Glaziers, and Drywall Finishers)
47-2131.00	Insulators
47-2221.00	Iron Workers
47-2061.00	Laborers
47-2073.00	Operating Engineers
47-2051.00	Operative Plasterers and Cement Masons
47-2152.01	Pipe Trades (Plumbers and Pipefitters, Sprinkler Fitters, Heating, Ventilation and Air Conditioning [HVAC] Service Technicians)
47-2181.00	Roofers

47-2211.00 Sheet Metal Workers
53-3032.00 Heavy Truck Drivers

Goals

This competitive Notice of Grant Opportunity (NGO) is being made available to achieve two primary goals:

1. Increase opportunities for women and minority groups to acquire skills, increase employment opportunities and benefit economically from construction projects within New Jersey.
2. Assist contractors and trade unions in meeting their workforce needs through the recruiting and training of women and minority groups.

Objectives

As established by LWD, each applicant must include a plan on how they will meet each of the following three objectives:

- Engage USDOL Registered Apprenticeship programs and construction contractors in the development and provision of construction-related pre-apprenticeship training.
- Provide training in the following areas:
 - Workforce readiness /employability skills instruction.
 - Occupation-specific construction-related trades training.
- Assist participants with job placement services targeting employment in a USDOL registered apprenticeship programs or construction related jobs that pays no less than \$15 per hour. Participants must acquire at least one industry-valued credential.

C. AVAILABLE FUNDING

Women and Minority Groups in Construction Trades grant will be funded by The New Jersey Builders Utilization Initiative for Labor Diversity (NJBUILD), through the annual Appropriations Act and P.L. 2009, c. 313.

The total amount of funding available for this program in Fiscal Year 2020 (FY 2020) is \$1,200,000. The maximum cost for training is \$6,000 per participant. Grant awards may be funded at a maximum of \$300,000 each, contingent upon available funding. The grant period is for 12 months with the option for two (2) one year renewals, contingent on the availability of funding.

The applicant's budget must be well considered, necessary for the implementation of the program, and within the funding parameters. Final amounts will be determined at the time of

pre-contract revisions. Unallowable costs (ineligible inappropriate or unsubstantiated) will be removed from the funding request.

D. ELIGIBLE APPLICANTS

This Notice of Grant opportunity is designed to provide training and placement services to participants in occupations as outlined in this NGO. The following organizations are eligible to apply as the lead applicant:

1. County or municipal governments;
2. Public training providers or trade schools;
3. Community-based organizations;
4. Labor organizations;
5. Employers and/or contractors;
6. Public vocational schools;
7. Institutions of higher education;
8. Public or private, non-profit agencies; or
9. Trade organizations which represent a particular trade, group of trades, contractors or employers.

PLEASE NOTE: All applicants must demonstrate a relationship with employers/contractors and/or a USDOL Registered Apprenticeship program enabling program participants to transition into employment.

***All training providers utilized as part of a grant must be registered/approved on the State's Eligible Training Provider list (ETPL) <http://www.njtopps.org/>.**

E. TARGETED POPULATION

Possible outreach and recruitment sources should include One-Stop Career Centers (OSCCs), vocational/technical institutions, community and faith-based organizations, successful graduates from the New Jersey Youth Corps and Youth Transitions to Work (YTTW) programs and community college graduates.

Program participants must meet the following eligibility requirements:

- Be a woman and/or a member of a minority group;
- Reside in New Jersey;
- Be at least 18 years of age at the time of program completion;
- Possess a high school diploma or High School Equivalency (HSE) diploma;
- Be drug-free throughout the training and placement.
- Must be registered with a One Stop Career Center and if eligible be WIOA co-enrolled and offered appropriate services such as interviewing skills, resume writing, career exploration, etc.

F. PROGRAM OUTCOMES

All programs are expected to attain the following outcomes during the funding period:

- Participants will engage in all components of the program.
- Participants must be registered with a One-Stop Career Center and screened for WIOA eligibility.
- Participants must acquire at least one industry valued credential.
- Graduate a minimum of 90% of the participants from the training program.
- A minimum of 85% of program graduates will be placed into a USDOL registered apprenticeship program or construction job in an affiliated trade.
- Participants acquire valuable documents such as driver's license, state identification or a birth certificate.

G. PROCEDURES FOR ELIGIBLE ENTITIES TO APPLY FOR GRANT FUNDS

All grant proposals must establish a lead applicant which serves as the training provider, as well as the applicant agency of record, the legally recognized fiscal agent for the grant project, and the single point of contact for LWD. The lead applicant is responsible for overseeing the implementation of all aspects of the grant, i.e., project and spending plan; grant project monitoring and reporting; outreach and recruitment; and fiscal management. It is essential that the applicant carefully construct result-oriented goals and objectives that support the program's stated goals and objectives, together with the program description and budget, providing a comprehensive plan for the successful accomplishment of the program. The plan shall also include the occupation in which the training will be provided, a summary of the curriculum of the training and clearly outline the number of training hours. Proposals that do not meet the above requirements or do not adhere to the parameters of the potential award will be eliminated from consideration.

Applicants under this grant program must provide a narrative describing their organizational capacity, resources, commitment and any demonstrated ancillary program successes in similar type of program. Applicants must detail their experience in providing construction trades training in the specific occupation(s) for which they are applying. Such information is to be included as part of the applicant's "Organizational Commitment and Capacity" section of this application. Please refer to page 7 for additional information.

The lead applicant should conduct an orientation for all pre-screened individuals to ensure program requirements are met and training requirements are clearly understood. The orientation should provide a realistic picture of the trades, what they might encounter and how they can deal with these challenges in a positive way. The orientation should also outline the curriculum and number of training hours.

The lead applicant must partner with USDOL Registered Apprenticeship programs and/or private contractors/employers to ensure the training being provided aligns with the workforce needs of employers and unions and to create a pathway for graduates to be placed in USDOL Registered Apprenticeship programs or construction jobs.

H. REPORTING AND REQUIREMENTS

Grant recipients are required to maintain progress data and submit monthly program and fiscal reports documenting grant-related activities. The reports will be reviewed to ascertain the grantee's progress within the scope of work and its conformance with program regulations and enabling legislation.

Monthly narrative and performance reports will include at a minimum the following: participant enrollment; participant attendance; participant demographics; benchmarks achieved; credentials achieved; job placement; and program progress, achievements and challenges. The monthly report templates will be provided with the contract.

Reimbursement will be made based on both cost reimbursement and performance based according to performance standards which will be stipulated in the contract. The benchmarks are: enrollment and course start; course mid-point; course completion; and job placement. Requests for reimbursement for allowable program costs must be submitted on the State of New Jersey payment voucher.

Monthly narrative, performance and financial reports are due on or before the 15th of each month. A closeout report will be due 30 days from program completion. The closeout report template will be provided by LWD towards the end of the grant.

All grantees will be subject to announced and unannounced on-site technical assistance visits and inspection of required maintenance of records and documentation. The purpose of the visits will be to assess progress toward the program goals and the integrity of the program model.

I. Application Process

LWD accepts reviews, approves and manages grants electronically using the System for Administering Grants Electronically (SAGE). Any potential applicant must first submit a letter of intent via email to NJBUILDPROGRAMS@DOL.NJ.GOV. The letter of intent needs to include the Applicant Agency, Business Name, Name of Person Responsible for Submitting Application (Agency Official), Federal Employee Identification Number (FEIN) and Dun and Bradstreet (DUNS) Number. The letter of intent should be submitted in accordance with the chart in Section K.

In the event you do not currently have access to SAGE you must register at the following website: <https://njsage.intelligrants.com>. You will receive an email message confirming that your account has been validated. Within the next three business days, LWD will provide access to the application. After receiving the confirmation, eligible entities will have access to complete and submit their grant application online. It is recommended that registration in SAGE be submitted at the time the letter of intent is completed.

Proposal Content and Checklist

To ensure consistency and fairness of evaluation, each applicant seeking funding under this grant program must submit an online application that includes, at a minimum, the components listed below. It is important to note that failure to upload the required documentation may result in the application being removed from consideration for funding. A description of each component is listed in this section, after the checklist.

<i>Required</i>	<i>Component</i>
✓	Activity Plan
✓	Letter(s) of Commitment from Partner(s)
✓	Statement of Need
✓	Organizational Commitment and Capacity
✓	Training Curriculum and Schedule
✓	Comprehensive Attendance and Drug Policies
✓	Program Sustainability Plan

Explanation of Program Components

1. Activity Plan – An activity plan, including specific objectives and a training plan must be completed. Ensure you include detailed information for each component. Post placement follow-up plans are required for proposal submissions. Applications must describe how they will track placements and/or credential attainment after participant have acquired employment or enrolled in a USDOL Registered Apprenticeship program.
2. Letter(s) of Commitment from Partner(s) – A letter of commitment from each USDOL Registered Apprentice program and/or construction contractor who will be in partnership with the grantee must be submitted along with the application. The letter should indicate the specific activities the entity will be involved in and a willingness to hire graduates of the training program.
3. Statement of Need - Demonstrate the need for the project in relation to the NGO. A need is defined as the difference between the current status and the outcomes that the applicant would like to achieve. Documentation may include a demographic description of your targeted area and research specifically relating to construction projects in the targeted area. This should also include projected number of apprenticeship opportunities with unions and construction employers within the targeted area and the surrounding area.
4. Organizational Commitment and Capacity – Applicants need to describe their commitment to addressing the conditions and/or needs identified, including the organizational support that exists for implementing the proposed project. The applicant must also state they have the management information system (MIS), equipment and capacity needed to properly track and report participant demographic and performance data to LWD and demonstrate the ability to complete all required monthly reports and requests for information in accordance with protocol and timelines established by LWD.

The applicant should also describe what experience they have had in conducting construction-related training. Additionally, the applicant should focus on how previous experience will be applied to ensure successful implementation of the proposed project.

5. Training Curriculum and Schedule – It is required that each applicant submit with this proposal a curriculum outlining the components within this section of the NGO and the associated hours for completion of each component. The training curriculum should be focused on basic skills instruction, workforce readiness instruction and occupation-specific construction trades training. The budget may include a participant stipend not to exceed \$125 per week (not included in the participant costs). At the completion of training, participants should be prepared to take and pass the entrance examinations to a USDOL Registered Apprentice program or obtain a construction job in an affiliated trade. Proposals must include training which leads to at least one industry-recognized certification. Examples of such certifications include: OSHA10 Safety Training, EPA Lead-Safe Training, etc. The curriculum must list the specific construction trades occupation(s) individuals will enter once they complete the training. Basic skills assessment testing must take place for all students prior to acceptance into the training program and at the conclusion of instruction. Field trips to union training centers and/or worksites must be part of the curriculum, but does not count toward the number of hours of training unless hands-on training is included.
6. Comprehensive Attendance and Drug Policies - Applicants must ensure that participants remain drug-free throughout the training and therefore must include a policy for a minimum of two drug tests (one at the start of training and one at the completion of training). Policies should include corrective action if applicable. In addition, applicants must include a comprehensive attendance policy detailing procedures for handling tardiness, excused absences, unexcused absences, and corrective action.
7. Program Sustainability Plan – Applicants must provide a detailed plan and clearly state in their proposal an outline of sustainability when the grant is completed and funding is no longer available.

Award Process:

LWD will conduct an internal review of each grant application. An internal review team will evaluate the application on the basis of quality, comprehensiveness, completeness, accuracy and adherence to the guidelines and requirements of this NGO. Applicants are reminded that grants will be awarded through a competitive process. LWD cannot fund all applications submitted; therefore, only applications that meet the highest standards will be awarded.

Panel Review Process:

All applications are subject to a department panel review and final approval by the Commissioner of LWD. Applicants will be notified of the decision by LWD within 30 days of the panel review date.
