November 8, 2011

To whom this may concern,

My name is Margaret Vereen-Williams and I am the daughter of Agglelene Vereen who resides at 637 Martin Luther King Jr., Blvd., Trenton New Jersey 08618.

My mother is 86 years old living alone in a house without heat well before the October storm. Now she is facing problems with asbestos that has to be cleaned up before Public Services will replace her heater. I am worried sick about my mother's health and if she doesn't have everything done before the 17th of November, the heater will not be replace until after Thanksgiving. I'm pleading on behalf of mother that this problem can be taken care of immediately.

Thank you in advance for your attention to this matter.

Prayerful Yours,

Margaret Vereen-Williams

November 8, 2011

To whom this may concern,

My name is Margaret Vereen-Williams and I am the daughter of Aggieelene Vereen who resides at 637 Martin Luther King Jr., Blvd., Trenton New Jersey 08618.

My mother is 86 years old living alone in a house without heat well before the October storm. Now she is facing problems with asbestos that has to be cleaned up before Public Services will replace her heater. I am worried sick about my mother's health and if she doesn't have everything done before the 17th of November, the heater will not be replace until after Thanksgiving. I'm pleading on behalf of mother that this problem can be taken care of immediately.

Thank you in advance for your attention to this matter.

Prayerful Yours,

Margaret Vereen-Williams

To Whom It May Concern:

Our furnace is no longer working and needs to be replaced immediately. The contractor that will be replacing the furnace understands the health hazards of asbestos and will not do any work unless the asbestos in and around the furnace area is removed completely. Can you please wave the ten day notice to the state as we are in need of heat and have to have this work completed quickly?

Please Advise,

Nithalena Duncan

Asbestos Removal

From: **Justiniano, Ludgardo** (Ludgardo.Justiniano@soros.com)
Sent: Mon 11/07/11 5:10 PM
To: 'bestremoval@hotmail.com' (bestremoval@hotmail.com)
Cc: Ludgardo Justiniano (ludgardo@optonline.net) (ludgardo@optonline.net)

Good Afternoon,

I am Ludgardo Justiniano, I am requesting waiver of 10 day advance notification due my boiler being broken and we have no heat.

Before our HVAC contractor can replace the unit we need to have the asbestos removed.

I have a 4 year old child in a house with no working heat at the moment and would like to get this resolved as quickly as we can.

Thank you for your attention to this matter.

Sincerely,

Ludgardo Justiniano

To whom it may concern:

I presently have to remove asbestos from my basement which has been described as an emergency situation. The asbestos is presently a threat to invade my forced air heating system. Therefore I am requesting a waiver of the 10 day notification rule.

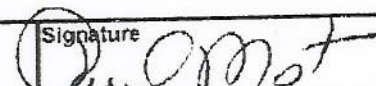

Thank you,

Paul Jervis

RE: Hudson Mall - Staples
701 RT 440
Jersey City, NJ 07304

Dear Mr. Voorhees:

PREIT-Rubin, Inc., as managing affiliate of the Hudson Mall, is requesting a waiver of the required 10-Day notice to perform an emergency abatement project due to the unforeseen discovery of mastic on site. The premises was previously certified as free of environmental contaminants, however, non-friable mastic was discovered on site following the removal of carpet from a former in-line store. Due to the discovery, we have contracted Associated Specialty Contracting, Inc. to perform the abatement of the tile and mastic, and Whitman Co. to perform the necessary air monitoring samples. The impact area measures approximately 4,725 square feet and we hope to start this work between Wednesday, November 9th and Friday, November 11th, based on coordination with our contractors.

Should you have any questions, feel free to contact me at [REDACTED], or via cell at [REDACTED].
[REDACTED] Thank you for your cooperation and attention.

Very Truly Yours,

PREIT-RUBIN, Inc.
Daniel P. Costello, CDP
Construction Project Manager

Re: Emergency Notification
Trenton Public Schools
Maintenance Complex, Main Building
Truancy/H&S Grant Area

Dear Mr. Pizzigoni:

A leak in the hot water system above the plaster ceiling requires the non-friable wrap and cut removal of approximately five (5) linear feet of ACM Thermal System Insulation to allow for the plumbers to tie in a new pipe section above the Truancy/H&S Grant Area at the Maintenance Building located at 1490 Prospect Street, Trenton, New Jersey.

Due to the immediate need for heating at the site and required repair to the mechanical system, this project is being declared an emergency by the Owner. Please proceed with all required notifications so that this project can commence on November 4, 2011.

If you have any questions regarding this project, please contact the undersigned at your convenience.

Respectfully,

ENVIRONMENTAL CONNECTION, INC.

James Frisbee, CIH
Operations Manager
