SUPPLEMENTED THROUGH JULY 2, 1991

N.J.S.A. 34:6-146 Registration

a. No manufacturer or contractor shall engage in the apparel industry in this State unless the manufacturer or contractor is registered as a manufacturer or contractor with the department, in writing, on a form provided by the commissioner. That form shall contain the following information: whether the manufacturer or contractor is a sole proprietorship, partnership or corporation; the manufacturer's or contractor's name and principal business address in the State; the name and address of each person with a financial interest in the manufacturer's or contractor's business and the amount of that interest, except that if the manufacturer or contractor is a publicly-traded corporation, only the names and addresses of the corporation officers shall be required; the manufacturer's or contractor's tax identification number; and, if the registrant is a contractor, whether that contractor subcontracts the cutting or sewing of apparel or sections or components thereof. Divisions, subsidiary corporations, or related companies may, at the option of the manufacturer or contractor, be named and included under one omnibus registration.

b. The commissioner shall issue pursuant to the provisions of this act, a certificate of registration upon receipt of a manufacturer's or contractor's completed registration form and documentation that the manufacturer or contractor has paid any surety bond required pursuant to subsection h. of N.J.S.A. 34:6-150 and provides workers' compensation coverage for the manufacturer's or contractor's production employees working in this State. The initial fee for each registration shall be \$300. Each subsequent annual registration fee shall be \$300. The commissioner may prorate the initial annual registration fee if the certificate of registration is for a period of less than 12 months. Registrations shall be renewed on or before January 15th of each year, and all fees shall be payable to the Division of Wage and Hour Compliance. With respect to manufacturers or contractors operating prior to or on the effective date of this act, the initial registration shall be filed on or before the first day of the sixth month following the effective date of this act and shall be effective until the following January 15th. With respect to new manufacturers or contractors, the initial registration shall be filed upon the commencement of manufacturing or contracting in the apparel industry and shall be effective until the following January 15th. The commissioner may, by order, compel registration pursuant to this subsection.

N.J.S.A. 34:6-149 Powers of the Apparel Industry Unit

The apparel industry unit shall have the following powers:

a. To investigate and conduct inspections at locations where an apparel industry manufacturer or contractor is operating to ensure compliance with this act;

b. To inspect books, records and premises of manufacturers and contractors, with respect to their production employees, to determine compliance with the State's labor laws, including but not limited to, laws concerning wages, overtime compensation, unemployment compensation and temporary disability insurance, workers' compensation coverage, child labor, and industrial homework laws, and, if the apparel industry unit determines that a manufacturer or contractor has violated a provision of any of those laws with respect to its production employees, to assess and collect, on behalf of the commissioner, any administrative penalty authorized by law. If the violation is of a provision of a labor law for which the assessment and collection of an administrative penalty is not otherwise authorized, the Apparel Industry Unit is hereby authorized to assess and collect an administrative penalty of not less than \$250.00 and not more than \$500.00 for a first violation and not less than \$500.00 and not more than \$1000.00 for each subsequent violation, specified in a schedule of penalties promulgated by rule or regulation of the commissioner in accordance with the "Administrative Procedure Act," P.L. 1968, c.410 (C.52:14B-1 et seq.). No administrative penalty shall be levied pursuant to this subsection unless the commissioner or his designee provides the violator with notification of the violation and of the amount of the penalty by certified mail and an opportunity to request a hearing within 15 days following the receipt of the notice. If a hearing is requested, the commissioner, or his designee, may issue a final order upon such hearing and a finding that a violation has occurred. If no hearing is requested, the notice shall become a final order upon the expiration of the 15-day period. Payment of the penalty is due when a final order is issued or when the notice becomes a final order. Any penalty imposed under this subsection may be recovered with costs in a summary proceeding pursuant to "the penalty enforcement law" (N.J.S. 2A:58-1 et seq.). Any penalty imposed under this subsection shall be paid to the Division of Wage and Hour Compliance and applied to enforcement and administrative costs of the division; and

b. Prior to the time that the confiscation becomes final, the commissioner or his designee shall provide the manufacturer or contractor with notification of the violation and confiscation by certified mail and an opportunity to request from the commissioner or his designee, by certified mail, a hearing before the commissioner or his designee within 15 days following receipt of the notice.
