MEMORANDUM

January 2, 2008

To: All Judges and Attorneys

From: Peter J. Calderone, Director and Chief Judge 

Subject: OSCAR Computer Program

As presented at the Bench-Bar Conference, the OSCAR computer program discs for calculating, among other things, awards, commutations and penalties will be available for attorney distribution on or about January 14, 2008.

The discs will only be available through the vicinage supervising judges who will manage the distribution of the discs. We are asking that an attorney who borrows a disc return the disc within two (2) days.

We are not sure what the demand for the discs will be so we have made 100 copies and distributed them proportionately throughout the state. If we need more, additional copies will be made.

Thank you for your assistance in this project.
