

MEMORANDUM

January 19, 2011

To: All Judges and Attorneys

From: Peter J. Calderone, Director and Chief Judge

Subject: Office Closures or Delayed Openings

There is a new section on the first page of our website that links to the Department and State websites for information on office closures or delayed openings.

The Department and State websites should have the most up to date status on the Executive Branch inclement weather determinations which affect our offices.
