| Total Tallies* for each race<br>alone or in any combination:   | 1,043                    | 100.0                      | 44                           | 100.0                      | 6                                  | 100.0                      | 3                        | 100.0                      | 3                                  | 100.0                      | 8                        | 100.0                      |

\*Notes: Summing across Total Tallies rows would give results greater than the corresponding population counts because of multiple counting (e.g., each person of three races would be counted three times). Detail is not shown for the four-race and five-race combinations. Each Percent shown represents that combination's share of total tallies for the race indicated in the column header. See Race Profile 1 for Grand Total Tallies.
