

NEW JERSEY

FIFA
WORLD CUP™
READY

GAME ON

for Worker Protections
Play Fair. Pay Fair.

As the FIFA World Cup™ 2026 comes to New Jersey, the NJDOL is out in the field ensuring every worker and volunteer who makes these historic games possible is treated with fairness, dignity, and full protection under the law. From construction crews preparing our world-class venues to hospitality staff, security personnel, and the thousands of dedicated volunteers supporting operations, we are enforcing wage and hour, and safety standards so that the excitement of the World Cup is built on a foundation of worker rights.

Whether you're earning a paycheck or giving your time, New Jersey has your back — because a winning team starts with a protected workforce.
