PUBLIC EMPLOYER ALERT #7

REQUIREMENTS FOR PREVENTING OCCUPATIONAL EXPOSURE TO TUBERCULOSIS

NOTICE OF REVISION

ATTENTION ALL PUBLIC EMPLOYERS

JUNE 1997

This notice is to inform you that the New Jersey Department of Health and Senior Services in cooperation with the New Jersey Department of Labor has revised the "Requirements for Preventing Occupational Exposure to Tuberculosis." This revision replaces the May 1995 publication. A copy of the revision is attached for your information.

The attached letter from Commissioner of Health and Senior Services, Len Fishman, along with the revised "Requirements for Preventing Occupational Exposure to Tuberculosis" should be reproduced and disseminated to all individuals responsible for prevention and compliance efforts.

If there are questions regarding the revised document please call:

(609) 984-1863
