December 2023: NJSISC Degree Program Report

Sean Farrell presented his Capstone, the last requirement for his MPH in Occupational Safety and Health (OSH) on 12/14. Appreciate the committee especially Mrunal and Pat Mulrooney and Justin Baker for their assistance with practicum.

Johnny Ortega (US Army Vet), pursuing his MPH-in OSH initiated his practicum work, advised by Mrunal. More on his progress in the next few meetings.

Recruitment continues. [@Alejandro Alex Ruiz](#) I'm sure you'll offer the 40-hr HAZWOPER during Spring break 2024. It's always a big hit and students are happy to save the \$900 in registration fee.

Recruitment and Outreach to students continues.

Thanks.
Koshy
