

SUBCOMMITTEE FOR REFORM OF CURRENT GOVERNOR'S ACHIEVEMENT AWARD REPORT FOR NEW JERSEY STATE INDUSTRIAL SAFETY COMMITTEE (NJSISC)

March 21, 2024

This report by the Subcommittee for reform of current Governor's Achievement Award is submitted for consideration/approval at the next Committee meeting, Friday, March 22, 2024.

The Governor's Award Subcommittee submitted a proposed application and evaluation guidance document to the NJ DOL to include a lower threshold Achievement Award. The award criteria remain the same as was shared at the last committee meeting: 70% satisfactory answers to the 10 questions, TRIR and DART rates the same or lower than industry average, and the same remaining eligibility requirements as the other awards (Excellence and Performance).

Respectfully submitted,

Sean Ferrell
