Thank you Theresa and members, I will be unable to attend due to an ongoing investigation with deadlines, however the following is a recap of NJAIHA activities and events:

- We hosted the December online PDC and the in person NEIHCE full day conference , in 2022.
- This is the first year since the pandemic that we have had six in-person technical dinner meetings and two virtual meetings.
- We did two Outreach events to promote IH and OHS , at the NJ Middle and High School Counselor Association's Fall Conference, and students at the Ocean County College Environmental Science Technical Conference , this year.
- Our new President Elect is Bill Pockels, and we are thrilled to have him onboard ! Our new President is Richard Lynch CIH MBA.
- NJAIHA has started its Industrial Hygiene Review Course this summer. Access to the presentations and recordings will be available until December 2023. You can sign up for one course for \$50, but all 16 courses are \$150 that is an amazing bargain and service that we provide our members , registrants, and the professional Industrial Hygiene and EHS community. Here's the registration link: <http://www.njaiha.org/events/njaiha-summer-review-course/>
- We gave 5 promising students \$5,500 in scholarships in our June Dinner Meeting, including a Medical Student studying to be a physician at Rutgers and interest in OHS Medicine, and a Dental Hygienist who wants to incorporate IH into her work .

Thank You

Marc Vargas CIH MPH

NJAIHA Outgoing President
