

Vice-Chair Report

Mrunal Vyas

Date: 19-September-2025

1. Overview

The leadership team continues to advance the strategic direction of the committee by reinforcing key governance pillars. This ongoing focus is designed to foster increased member engagement, ensure alignment with the proposed Bylaws, and sustain and enhance long-term value for NJSISC members.

2. Recent Activities

- New Membership Onboarding
 - Anthony Krake (newer member) has volunteered to provide technical committee support to Kristen.
 - Focus:
 - Mapping key steps of the process.
 - Streamlining information communication and data storage.
 - Aligning with Committee and DOL stakeholders to ensure one agreed to process.
- Committee Education and Development
 - Executing guest presentation for Q3 – **Trends for Safety Professionals**
 - Presenter: Bernard L. Fontaine, Jr., CIH, CSP, FAIHA
 - Building content for Q4 presentation – Led by Safety Education & PDC committee.
 - Seeking active membership support to the Committee to sponsor future meeting presentation and build towards a PDC event.
 - Proposing NJSISC PDC March/April 2026 (Physical meeting)
 - Will engage NJDOL and OSHA Alliance partners to consider ideas, potential speakers, and best means of executing.
 - Will solicit input from NJSISC committee members – Potential topics/speakers.
 - PDC brings educational value and creates personal engagement opportunities to collaborate outside of committee forum to discuss professional ideas and initiatives.
