Failure to disclose associations with other firms or to disclose any prior history of alleged violations could lead to the denial, suspension, and/or revocation of your contractor registration.

Pursuant to N.J.A.C. 12:62-2.4(a), a contractor registration certificate may be denied, suspended, or revoked due to inaccurate information, misstatements, or omissions.

**Question 10:** Be sure to disclose any association with other firms. Use the definition of “interest” as defined below to guide your response.

**Pursuant to N.J.A.C. 12:60-7.2, “interest” is defined as follows:**

"Interest" means an interest in the entity bidding or performing work on the public works project, whether as an owner, partner, officer, manager, employee, agent, consultant or representative. The term also includes, but is not limited to, all instances where the debarred contractor or subcontractor receives payments, whether cash or any other form of compensation, from any entity bidding or performing work on the public works project, or enters into any contracts or agreements with the entity bidding or performing work on the public works project for services performed, or to be performed, for contracts that have been or will be assigned or sublet, or for vehicles, tools, equipment or supplies that have been or will be sold, rented or leased during the period from the initiation of the debarment proceedings until the end of the term of the debarment period. "Interest," however, does not include shares held in a publicly traded corporation if the shares were not received as compensation after the initiation of debarment from an entity bidding or performing work on a public works project.

**Question 16: Type of Work to be Performed** – Check off the NAICS code that your company intends to perform. Your selection(s) will not limit the firm’s eligibility to perform any particular type of work.
