Caesars Interactive Entertainment New Jersey, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollars amounts in thousands)

NOTE 1 – ORGANIZATION AND BASIS OF PRESENTATION

Caesars Interactive Entertainment New Jersey, LLC (the “Company” or “CIENJ”) was formed on March 22, 2013 as a New Jersey limited liability company. The sole member of the Company is Caesars Interactive Entertainment, Inc. (“CIE” or the “Member”). CIE is a majority owned subsidiary of Caesars Growth Partners, LLC (“CGP”). As of September 30, 2014, Caesars Acquisition Company directly owns 100% of the voting membership units of CGP and is the ultimate parent.

CGP is consolidated into Caesars Entertainment Corporation (“Caesars Entertainment”). As a result, CIENJ is also affiliated with all subsidiaries of Caesars Entertainment. Refer to Note 9 – Related Party Transactions for further discussion.

The Company is licensed by the New Jersey Division of Gaming Enforcement (“DGE”) to operate interactive real money online gaming and is subject to the rules and regulations established by the DGE.

CIENJ was primarily organized to operate real money online gaming within the State of New Jersey. At September 30, 2014, the Company offered real money online wagering to patrons in the State of New Jersey through the following internet-based gaming services: CaesarsCasino.com, HarrahsCasino.com, and WSOP.com (the “Owned Platforms”). The Owned Platforms began service on a limited basis in November 2013 with expanded 24-hour service shortly thereafter. Additionally, the Company entered into a services agreement with AAPN New Jersey, LLC, a non-affiliate third party, (“AAPN”) to provide AAPN with non-exclusive use of the Company’s license and certain interactive gaming services. At September 30, 2014, AAPN operated the 888.com platform under the Company’s gaming license (refer to Note 2 for the Company’s revenue recognition accounting policy).

The Company’s financial statements are prepared in accordance with accounting principles generally accepted in the United States and the rules and regulations of the DGE, which require the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the amounts of expenses during the reporting periods. Management believes the accounting estimates are appropriate and reasonably stated. However, due to the inherent uncertainties in making these estimates, actual amounts could differ.

The Company was formed in March 2013 and did not begin operations until November 2013; therefore, comparative financial information for prior periods is not available.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents – Cash and cash equivalents are comprised of highly liquid investments with purchase maturities of three months or less. Cash equivalents are carried at cost, which approximates fair value.

Caesars Interactive Entertainment New Jersey, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollars amounts in thousands)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Receivables and Allowance for Doubtful Accounts – Receivables primarily consist of amounts collectible from third party credit card processors and reimbursable expenses from internet service partners. Credit card processing receivables typically have a high turnover rate and are generally not subject to increased credit risk. Receivables are typically non-interest bearing and are initially recorded at cost. Management reserves for receivables when objective evidence exists that a receivable may be uncollectible. There was no provision for doubtful accounts recorded for the three- and nine-month periods ended September 30, 2014.

Property and Equipment – Additions to property and equipment are stated at cost. The Company capitalizes the costs of improvements that extend the life of the asset and expense maintenance and repair costs as incurred. Gains or losses on the dispositions of property and equipment are included in the determination of income. Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the asset or the related lease, as follows:

Leasehold improvements.....	5 – 10 years
Furniture, fixtures, and equipment	2.5 – 20 years

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value of the asset, an impairment loss is recognized equal to an amount by which the carrying value exceeds the estimated fair value of the asset. The factors considered by management in performing this assessment include current operating results, trends, prospects, the effect of obsolescence, demand, competition, potential decreases in the marketplace, a change in physical condition, and legal and other economic factors. The Company did not recognize any impairment in the periods presented.

Revenue Recognition – Online real money gaming revenues are measured by the aggregate net difference between gaming wins and losses and are recorded as Casino revenue in the accompanying Statements of Income, with liabilities recognized for funds deposited by customers before gaming play occurs. Cash discounts and other cash incentives related to online real money gaming are recorded as a reduction to Casino revenue.

The Company entered into an agreement with Fordart Limited (“Fordart”), an affiliate of AAPN, to develop and maintain the Company’s online gaming platform and provide certain interactive gaming services. Under this agreement, the Company pays Fordart a fixed percentage of its net casino revenues, as defined in the agreement (“Net Casino Revenues”). The Company is the primary obligor in this arrangement, and as such, CIENJ recognizes Casino revenue on a gross basis with a corresponding expense for Fordart’s share of Net Casino Revenues.

Caesars Interactive Entertainment New Jersey, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollars amounts in thousands)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

In addition, the Company has an online platform and services agreement with a separate non-affiliate company whereby CIENJ pays a fixed percentage of its net casino revenues, as defined in the agreement, for use of an online gaming platform and other interactive gaming services. Similar to the Fordart agreement, the Company is the primary obligor in this arrangement, and as such, CIENJ recognizes Casino revenue on a gross basis with a corresponding expense for the third-party's share of net casino revenues.

For the three- and nine-month periods ended September 30, 2014, the Company recognized \$864 and \$2,120, respectively, of revenue share expense associated with these agreements. This expense is included in Casino expense in the accompanying Statements of Income.

The Company entered into agreements to provide interactive gaming services to non-affiliate third parties, whereby the Company receives a fixed percentage of net casino revenues, as defined in the agreements, for providing such services. The Company is not the primary obligor in these arrangements, and as such, CIENJ records revenue on a net basis. As a result, Casino revenues as reported in the Statements of Income only reflect CIENJ's share of casino revenues associated with AAPN's 888.com platform. For the three- and nine-month periods ended September 30, 2014, the Company recognized \$66 and \$225 of revenue associated with this agreement, respectively. This revenue is included in Casino revenue in the accompanying Statements of Income. Additionally, reimbursable expenses incurred on behalf of third parties in connection with these arrangements are recorded on a gross basis and associated revenues are included in Other Revenues in the accompanying Statements of Income.

At September 30, 2014, the Company had \$5,000 of deferred revenue associated with an interactive gaming services agreement with a non-affiliate third party. The deferred revenue is presented as Deferred Credits in the accompanying Balance Sheets.

Loyalty Programs – Through a cross-marketing agreement with Caesars Entertainment Operating Company ("CEOC"), a wholly owned subsidiary of Caesars Entertainment and an affiliate of CIENJ, patrons of CaesarsCasino.com and HarrahsCasino.com have access to Caesars Entertainment's Total Rewards loyalty program. Under the program, customers are able to accumulate, or bank, reward credits over time that they may redeem at their discretion under the terms of the program. The reward credit balance will be forfeited if the customer does not earn a reward credit over the prior six-month period. Additionally, patrons of CaesarsCasino.com and HarrahsCasino.com have the opportunity to redeem their online reward credits for cash that is deposited directly into the patron's online wagering account. As the Company does not have sufficient history to determine the percentage of players that may choose to redeem reward credits for cash over non-cash awards, the Company accrues 100% of the cash converted point balance as a reduction to Casino revenues in the accompanying Statements of Income. Refer to Note 9 – Related Party Transactions for further description of the cross-marketing agreement with CEOC.

Caesars Interactive Entertainment New Jersey, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollars amounts in thousands)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Patrons of the WSOP.com platform have access to the Company's Action Club loyalty program. Under this program, patrons have the opportunity to redeem their points for cash once a certain tier status is achieved in accordance with the terms of the program. Patrons of the Action Club loyalty program also have the ability to earn status in the Total Rewards program through the Company's tier matching program. As points earned under this program can be redeemed for cash, the Company accrues 100% of the cash converted point balance as a reduction to Casino revenue in the accompanying Statements of Income.

For the three- and nine-month periods ended September 30, 2014, the Company recorded \$35 and \$159, respectively, as a reduction to Casino Revenue in association with the Company's loyalty programs.

Gaming Taxes – The Company remits a tax equal to 15% of internet gross gaming revenue, as defined, to the State of New Jersey on a monthly basis. The Company's gaming tax expense for the three- and nine-month periods ended September 30, 2014 was \$960 and \$3,089, respectively. Gaming taxes are included in Casino expense in the accompanying Statements of Income.

Advertising – CIENJ expenses advertising production costs the first time the advertising takes place. Advertising expense was \$3,158 and \$14,631 for the three- and nine-month periods ended September 30, 2014, respectively. Advertising expense is included in General, Administrative and Other expense in the accompanying Statements of Income.

Income Taxes – The Company is a disregarded entity for federal income tax purposes. The accompanying financial statements do not include a provision for income taxes since any income or losses allocated to the Member is reportable for income tax purposes by the Member. The Company's income tax return and the amount of allocable income are subject to examination by federal and state taxing authorities. If an examination results in a change to the Company's income, the Member's tax may also change.

Casino Reinvestment Development Authority Investment ("CRDA") Obligations – The New Jersey Casino Control Act provides, among other things, for an investment equal to 2.5% of gross internet gaming revenues in lieu of an investment alternative tax equal to 5% of gross internet gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions, or by depositing funds with the CRDA. Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. The Company has elected to make the 2.5% investment with CRDA as described above.

Caesars Interactive Entertainment New Jersey, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollars amounts in thousands)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The funds on deposit are held in an interest-bearing account by the CRDA. Initial obligation deposits are marked down by approximately 33% to represent their fair value and eventual expected conversion to bonds by the CRDA. For the three- and nine-month periods ended September 30, 2014, the Company incurred \$67 and \$240 of impairment expense, respectively. This expense is included in CRDA Related Expense – Net, in the accompanying Statements of Income (Line 19).
