

13:69F-2.9 Insurance wagers

(a) - (f) (no change.)

(g) For games which are dealt by a live dealer where wagering is conducted through an approved online gaming system, whenever the first card dealt to the dealer is an ace **or a card with a value of ten**, each player shall have the right to make an insurance bet which, except as otherwise provided in N.J.A.C. 13:69F-2.7(c), shall win if the dealer's second card [is a king, queen, jack or 10] **results in a blackjack** and shall lose if the dealer's second card [is an ace, two, three, four, five, six, seven, eight, or nine] **produces any result other than a blackjack**.
