13:69E-1.10 Blackjack table; card reader device; physical characteristics; inspections

(a) (No change.)

(b) The layout for a blackjack table shall contain, at a minimum:

1. (No change.)

2. Specific areas designated for the placement of wagers

corresponding to a player betting position, which player betting

[areas] **positions** shall not exceed seven in number, with the exception

of 6 to 5 blackjack variation **and any variation with a supplemental**

wager that requires the player to place two separate wagers in

accordance with N.J.A.C. 13:69F-2.3(a) at the player's betting

position, which exceptions shall contain no more than six player

betting [areas] **positions.**

(c) - (s) (No change.)

(t) If a casino licensee offers the three card bonus wager pursuant to N.J.A.C. 13:69F-2.34, the layout otherwise required by

this section shall also include, at minimum, an additional designated

area for the three card bonus wager at each of the player positions at

the table. A variation of the three card bonus wager may require the

player to play two separate hands pursuant to (b)2 above by placing

two separate wagers in accordance with N.J.A.C. 13:69F-2.3(a). The

layout for this variation shall require a separate betting area at

each player position for the corresponding three card bonus wager. If

not inscribed on the layout, a sign at the blackjack table shall set forth the payout odds and the hand rankings for the three card bonus wager.

(u) If a casino licensee offers the four card bonus wager or the five card bonus wager pursuant to N.J.A.C. 13:69F-2.34, the layout shall also include a separate betting area at each betting position for such wager. If not inscribed on the layout, a sign at the blackjack table shall set forth the payout odds and the hand rankings for the four card bonus wager or five card bonus wager, as applicable.

(v) If a casino licensee offers the four card progressive wager or the five card progressive wager pursuant to N.J.A.C. 13:69F-2.34A, the layout otherwise required by this section shall also accommodate such electronic devices for the operation of an approved progressive wagering system.

(i) The three card bonus wager, four card bonus wager and five card bonus wager may not be offered at a blackjack table that offers multiple action blackjack wagers pursuant to N.J.A.C. 13:69F-2.18, a progressive blackjack wager pursuant to N.J.A.C. 13:69F-2.19, a blackjack bonus wager pursuant to N.J.A.C. 13:69F-2.20, a streak wager pursuant to N.J.A.C. 13:69F-2.22, a match-the-dealer wager pursuant to N.J.A.C. 13:69F-2.23, a 20 point bonus wager pursuant to N.J.A.C. 13:69F-2.24, an optional bonus wager pursuant to N.J.A.C. 13:69F-2.25, or an in-between wager pursuant to N.J.A.C. 13:69F-2.26.

13:69F-2.34A Four card progressive wager and five card progressive wager

(a) A casino licensee may, in its discretion, offer each player at a blackjack table the option to make an additional progressive wager that:

1. The player's initial two cards from the player's two hands form a four card hand recognized for payout in (i)1 below; or

2. The dealer's initial face up card and the player's initial two cards from the player's two hands form a five card poker hand recognized for payout in (i)2 below.

(b) For purposes of the four card progressive wager, the provisions of N.J.A.C. 13:69F-2.34(c) shall apply.

(c) For purposes of the five card progressive wager, the provisions of N.J.A.C. 13:69F-2.34(d) shall apply, with the addition

of the two highest ranking hands that qualify for a payout of a percentage of the progressive meter as follows:

1. "Diamond royal flush" is a hand consisting of an ace, king, queen, jack and ten, all of diamonds; and
2. "Other royal flush" is a hand consisting of an ace, king, queen, jack and ten, all of the same suit other than diamonds (i.e., hearts, spades or clubs).

(d) A four card progressive wager or five card progressive wager shall have no bearing on any other wager made by a player at the game of blackjack.

(e) Prior to the first card being dealt for each round of play, each player who has placed a blackjack wager in compliance with N.J.A.C. 13:69F-2.3(a) may make a four card progressive wager or a five card progressive wager, as applicable, by placing a wager at his or her betting position in conformity with the approved progressive wagering system. The amount of the progressive wager permitted by a casino licensee shall be posted in accordance with N.J.A.C. 13:69F-8.3. Once such wagers have been placed, the dealer shall activate the approved progressive wagering system indicating that a progressive wager has been made at the appropriate betting position(s). In accordance with N.J.A.C. 13:69E-1.10(j), the dealer shall ensure that only one progressive wager has been made for each betting position.

(f) The dealer shall announce "No more bets" and register the progressive wagers on the progressive meter and reset the meter, if applicable. The dealer shall then deal the initial two cards to all

players and the dealer in accordance with N.J.A.C 13:69F-2.6(e), (j) or (k). Prior to any additional cards being dealt to any player at the table and before any card reader device is utilized, the dealer shall, starting with the player farthest to his or her right and continuing counterclockwise around the table, settle in succession all progressive wagers, by collecting all losing wagers and paying all winning wagers in accordance with (i) below.

(f) Prior to making a payout for a winning progressive wager, the dealer shall:

1. Verify that the player's hand is recognized for payout;
2. Verify that the progressive wagering system has accepted the wager; and
3. Have a casino supervisor validate the progressive wager payout pursuant to the casino licensee's internal controls.

(g) All payouts that are a percentage of the amount of the progressive meter shall be paid in accordance with the amount on the primary meter when the player's blackjack wagers are settled pursuant to N.J.A.C. 13:69F-2.3(e), provided, however:

1. For the four card progressive wager, if more than one player at the table has qualified for a percentage of the amount on the progressive meter, each player shall share equally in the total amount on the progressive meter;
2. For the five card progressive wager, if more than one player at a table has qualified for a payout of a percentage of the amount on the progressive meter, those who qualify for 10% of the progressive meter amount shall be paid first, and then those who

qualify for 100% of the progressive meter amount shall be paid in equal amounts from the balance;

3. Percentage payouts of the meter amount are fixed regardless of the amount of the player's progressive wager; and
