

NEW JERSEY STATE POLICE
Drug Recognition Expert Recertification
Check-Off Form

- Four DRE facesheets and narratives from evaluations performed since your last re-certification or initial training. Refusals to provide urine/blood samples are acceptable. One of these four evaluations **MUST** be supervised by a current DRE instructor. This may be a “Not impaired” evaluation performed on a **third party** in front of an instructor.
*****MAKE SURE THAT THE INSTRUCTOR EVALUATION IS SIGNED*****

- Rolling logs since last recertification or initial training. The supervised evaluation must be included on the rolling log.

- Updated resume.

- Documentation of 8 hours of **continued** impaired driving related training.
 - Training must be directly related to the DRE’s performance of the DRE process, continued education on substances of abuse, training to enhance the DRE’s ability to detect, identify or enforce impaired driving laws.

 - State Coordinator must approve.

- Current DRE certification card.
