From the desk of 1st Lt. April Kelly, 108th ARW PAO

Recently, the 108th Air Refueling Wing entered its third year of participation in the North East Tanker Task Force refueling OEF/OIF aircraft. By the conclusion of this summer the ops tempo had doubled since we started in July 2004. In one month, the NETTF crews flew almost one hundred hours and offloaded 1.5 million pounds of fuel, while one mission had our longest NETTF sortie yet of 7.2 hours. September saw the first Coronet missions supporting a multi-aircraft deployment. Through all of this the 108th maintainers were able to sustain a maintenance reliability rate in excess of 96 percent.

Your help is requested to support our launch of a new, simplified recycling program for State facilities in Mercer County. This change will address some of the current confusion about what gets recycled and where it should go. It will also enable us to accurately measure and improve our recycling performance in each facility going forward.

Starting October 1, all State facilities located within Mercer County, and all occupants within those facilities, will be able to combine recyclable materials into one of the following two (2) containers, for collection. New labels will be in place on these containers by the end of the week:

Mixed Paper - if you can tear it, it is considered mixed paper (all paper, all colors, newspaper, file folders, magazines, mail, etc.)

Bottles and Cans - plastic or glass bottles, aluminum and steel cans

Please do your part to separate out the recyclable materials listed above, from other waste you may generate in your day to day activities. This can be as simple as keeping a bin or box in your work space to throw all waste paper into (paper represents the bulk of our recyclables). You can then empty that box into the designated recycling container from time to time, when it is convenient. From that point, the armorer staff and vendors will be transporting the recyclables to the proper location, where they will be removed and processed by our new recycling vendor.

By increasing our recycling rate, we conserve natural resources, reduce energy consumption, and reduce pollution. That is something we can all be proud of and something that will deliver a lasting benefit for generations to come.

NOTE - Corrugated cardboard will continue to be processed as it is today, for your facility. All cardboard is to be **FLATTENED BEFORE BEING PLACED ON THE LOADING DOCK!**

Hispanic Heritage Month: September 15 - October 15, 2006

From the desk of Dorinda Sapp, Affirmative Action Officer

In continuing to celebrate major accomplishments and Hispanic contributions to military service during Hispanic Heritage Month, this week we are recognizing Medal of Honor Recipients.

The Medal of Honor is the highest award given to military members for their actions that have helped form our nation's rich history. They are honored for their acts of heroism, for their "individual gallantry at the risk of life above and beyond the call of duty."

The Medal of Honor is symbolic of the heroic acts for which it is awarded. Elements of the design represent victory, strength, wisdom and valor. Throughout history, Hispanic-American service members have distinguished themselves with their gallant actions during wartime.

Mailing help for holiday overseas packages

By Karen Jowers – Army Times Staff writer

If you want to get holiday gifts to a service member deployed overseas by Dec. 25, it's time to start thinking about mail deadlines.

The first suggested deadline of Nov. 13 is for packages going by parcel post to deployed troops and those living on overseas installations, according to the U.S. Postal Service. Parcel post may be the slowest option, but it's the cheapest, too. For packages to arrive by the start of Hanukkah, at sundown Dec. 4, they should be mailed by Oct. 23.

You can check the cost of mailing your package through different avenues on the Postal Service's Web site.

Postal officials strongly advise families to consider these deadlines because of the volume of mail during the holiday season. Many groups are already gearing up to send packages to deployed troops.

Some tips from the Postal Service:

- ❖ Packages must be addressed to an individual service member. Mail cannot be delivered to "any service member." Use the member's full name, military organization or unit and APO/FPO address.
- ❖ Do not include the country name in any part of the address when using an APO/FPO address.
- ❖ Choose a box strong enough to protect its contents, and use plenty of cushioning material such as popcorn or newspapers.
- ❖ Consider using the Postal Service's free Military Kit - eight boxes of three different sizes popular for mailing to military personnel, along with mailing labels, tape and U.S. Customs forms. Kits can be obtained by calling toll-free to (800) 610-8734. Choose option 1, and when a live agent responds, ask for Care Kit 4.
- ❖ Write the delivery and return addresses on one side of the package.
- ❖ Place a return address label inside the package.

If you miss the parcel post deadline, here are your options for getting mail to an APO/FPO address by Dec. 25 (subtract 21 days from these deadlines to ensure delivery in time for Hanukkah):

- ❖ Space Available Mail (SAM): Nov. 27.
- ❖ Parcel Airlift Mail (PAL): Dec. 4, except for ZIP codes starting with 093, which are all areas of contingency operations. The suggested deadline for those locations is Dec. 1.
- ❖ Priority Mail: Dec. 11 (093 ZIP codes, Dec. 4).
- ❖ First-class letters and cards: Dec. 11. (093 ZIP codes, Dec. 4).
- ❖ Express Mail Military Services: Dec. 18 (not available to 093 ZIP codes).

Visit the following Web site to check out mailing guidelines. <http://www.usps.com/>
