### **Purple Heart Hall of Honor looking to build database**

*From information provided by The National Purple Heart Hall of Honor*

Since 1932, 1.7 million Purple Heart medals have been awarded to America's servicemen and women wounded or lost in combat, according to the National Purple Heart Hall of Honor located in New Windsor, N.Y.

The Hall of Honor is the nation's sole repository dedicated to the preservation and collection of Purple Heart stories and is currently building a database and is looking for those servicemembers who have been awarded the medal.

The database provides information about each Purple Heart recipient and can include scanned documents and photographs that will enhance his or her story.

To enroll a Purple Heart recipient in the Roll of Honor, you must submit an application form which can be found on the Web site, [www.thepurpleheart.com](http://www.thepurpleheart.com) or visit [www.dmna.state.nj.us](http://www.dmna.state.nj.us) for a link to the site. Verification of the award is needed – DD-214 or DD-215, military orders, Purple Heart certificate or other supporting documentation. The Hall of Honor is also collecting a photograph of each recipient as well as letters and news articles to add to the database.

To learn more about the National Purple Heart Hall of Honor, visit the Web site at [www.thepurpleheart.com](http://www.thepurpleheart.com) or call toll free 877-28HONOR. The Hall of Honor is open year-round at 374 Temple Hill Road, New Windsor, N.Y., on the New Windsor Cantonment State Historic site, the final post of George Washington's Army.

### **DMAVA sponsoring cell phone drive for at-risk women**

DMAVA is sponsoring its second cell phone drive to "Help Prevent Domestic Violence" which will aid battered women living in shelters. Donated phones will be refurbished and given to women at risk to call 911 in an emergency.

There is always a flood of cell phones in the fall since October is Domestic Violence Awareness month. Throughout the rest of the year agencies in need receive few donations; our drive will help correct that void.

The collection period will start on March 20 and end on April 17. We will accept working and non-working cell phones and all phone batteries and chargers. The phones that are collected will be donated to three woman's shelters throughout the state.

Drop off points for DMAVA Central will be the Security Desk in the lobby. Other DMAVA facility drop-off points will be located in the Human Resources Office or the Administrative Offices.

Special Note: Before donating a cell phone, please delete all personal information and remove the phone's SIM card. This is for protection of your private information. Both state employees and military personnel may participate.

### **Women's History Month - inventing for the ages**

This week's Women's History Month topic will be women inventors. Many women never got a patent for their inventions because a patent is considered a type of property and until the late 1880s, laws in many states didn't allow women to own property or enter into legal agreements in their own names.

The first U.S. patent given to a woman was on May 15, 1809 and was given to Mary Dixon Kies for a process for weaving straw with silk or thread.

Since then women have gone on to invent things for the home – electric food mixer, shelves inside refrigerators, trash cans with foot pedal lid openers, electric hot water heater, dishwasher and ironing board.

Women have invented things in the medical field such as the CPR mannequin, drugs that fight leukemia, drugs that facilitate kidney transplants, the home diabetes test, the process that removes cataract lenses using a laser device during surgery (making the procedure more accurate).

Being in the work environment has given women the opportunity to invent. Women have given the office Liquid Paper® (more commonly known as White-out), flat bottomed paper bags, non-reflective glass, methods to refine petroleum, the elevated railway, circular saw and Geobond® (an indestructible and fireproof building material). Technology was helped by women who got one of the first software patents issued – for a computerized telephone switching system and the first disposable cell phone.

Grace Hopper, who was the first woman to reach the rank of admiral in the U.S. Navy, was a computer "geek" long before the term geek came into common language. She invented a compiler and the computer language Computer Business Oriented Language, COBOL. It was never patented because it was before computer technology

was considered a "patentable" field.

The military has felt the impact of women inventors: life rafts, submarine lamp and telescope and Kevlar were all patented by women.

And where would our cars be without engine mufflers, windshield wipers and rotary engines – all invented by women.

Of course, women have been finding things to make life better and easier around the house for themselves and their families – alphabet blocks, chocolate chip cookies, disposable diapers, rolling pin, Scotchgard and the Snuggly® baby carrier.

Keep your eyes and ears open, who knows what the next big invention will come from the mind of the women of today and tomorrow?

### DMAVA Green

*By Tech. Sgt. Barb Harbison, DMAVA Public Affairs Specialist*

A recent order came in the mail and as I dug through to get everything, those little "peanuts" kept sticking to my clothes and the stuff I bought; they are enough to drive me crazy. But what do I do with them after I unpack the box? Can I recycle them?

Styrofoam® is also called expanded polystyrene (EPS) foam, a version of plastic #6. But even if your community accepts #6 in its recycling program, it may not accept EPS. Check your local community recycler to make sure what their rules are for recycling EPS.

Here are ways to recycle those packing peanuts and other forms of EPS.

There are various sites that take EPS or reuse packing peanuts. Visit the following site and plug in your address to find the nearest recycling/reusing center - [www.search.earth911.com/?what=Packing%20Peanut%20Reuse](http://www.search.earth911.com/?what=Packing%20Peanut%20Reuse).

There is also a mail back program through the Alliance of Foam Packaging Recyclers. Check out their information at [www.epspackaging.org/info.html](http://www.epspackaging.org/info.html).

Peanuts can be saved for your next package to someone – pass on the joy. Or you can donate them to your local shipping store or UPS. Where can you find a place to give your peanuts? Drop by [www.loosefillpackaging.com/pages/why.htm](http://www.loosefillpackaging.com/pages/why.htm) or call 800-828-2214 (24 hours a day) to find a site near you that will reuse those pesky things.

With a little work and time, you can keep EPS out of the landfill where it takes up space and does not biodegrade.

New technology has created biodegradable packing materials that are plant based. It can be used as a fertilizer on your lawn – it breaks down into inert proteins when it mixes with water and soil bacteria eats the packing material.

Keep on recycling!

If you have a green tip or a site to recommend, drop me a line at [Barbara.harbison@njdmava.state.nj.us](mailto:Barbara.harbison@njdmava.state.nj.us).

#### **State employees who move, marry must contact HR department**

*From the desk of Lisa Dandrea, Human Resources, Personnel Assistant*

If you are a state employee, working for DMAVA, Vets Haven, and the Cemetery, and you have an address change and/or a name change, it is *extremely* important that you contact Lisa Dandrea in the Human Resources Office. There have been a lot of issues with tax W2s, pension statements and pay checks being returned to our office, as well as some employees not receiving their new health cards, all due to incorrect addresses. Your address change is not automatic and it is not limited to completing a new W4. There are specific forms for employees to complete that updates their new information statewide. Your change of address or name affects your paycheck, your pension statements, W2s, loans, any information sent out by your health care provider, promotional announcements from Dept. of Personnel, etc. If you have had an address/name change and have not updated your information, please make sure you contact Lisa Dandrea in HRD-ESB at 609-530-6888 or e-mail [Lisa.Dandrea@njdmava.state.nj.us](mailto:Lisa.Dandrea@njdmava.state.nj.us).

The Association started out in 1965 as a chapter of the Active Army Association (NCOA) but membership was limited to NCOs of the Army National Guard. Six years later they reorganized as the Army and Air National Guard Noncommissioned Officer's Association. In 1992, a change to their current name expanded the membership to all enlisted Soldiers and Airmen.

Benefits of joining the EANGNJ include subscriptions to the New Patriot and Enlisted Voice newsletters, eligibility to apply for six \$1,000 scholarships, inexpensive term insurance, national membership with EANGUS and a voice on legislative issues.

The association holds four executive council meetings in February, May, August, and November. They will hold their annual business in Gettysburg, Pa., on **Oct. 9-11, 2009**.

Drop by the Association's Web site, [www.EANG-NJ.org](http://www.EANG-NJ.org), and check out the page on the Annual Conference and Business meeting on Columbus Day weekend, Oct. 9-11 at the Eisenhower Conference Center Gettysburg, Pa. Information on the meeting, including a registration form, flyer about the Friday Night Social, package plan sheet and three tier payment flyer are all available on the site.

Join EANGNJ and help make your voice heard. EANGNJ has helped to get state tuition assistance for Guard members attending state institutions, up to 15 credits per semester with continuation through a master's degree. Their voice on a national level has helped to get increased educational benefits, additional TRICARE benefits and eliminated increased premiums to TRICARE.

Upcoming legislative goals include reducing the retirement age to 55 and continued funding for Post Traumatic Stress Disorder.

Membership is open to all enlisted Soldiers and Airmen, with associate memberships for officers, warrant officers, and DoD, state and federal employees. Cost is \$15 for E1-E4, \$20 for E5-E7 and \$25 for E8-E9. All associate memberships are \$10. You can find a membership application at their Web site: [www.eang-nj.org](http://www.eang-nj.org).
