New Jersey Air Guard receives first female commander

Photo and story by Tech. Sgt. Mark Olsen, 177FW/PA

The year of firsts continues.

Here in New Jersey the New Jersey Air National Guard received its first woman commander.

Brig. Gen. Maria Falca-Dodson assumed command of nearly 2,300 Airmen of the New Jersey Air National Guard, which includes the 108th Air Refueling Wing at McGuire Air Force Base, the 177th Fighter Wing at Egg Harbor Township and Joint Force Headquarter-New Jersey (Air Component) at Fort Dix in a Change of Command ceremony at the Joint Training and Training Development Center, located at Fort Dix on Nov. 15.

Outgoing NJANG Commander Brig. Gen. Lawrence S. Thomas III noted that: "This is long overdue, not just for women in general but for Maria herself."

"It's an honor to be given this responsibility," said Brig. Gen. Falca-Dodson. "I pledge to lead and support fully and I thank you for your belief in me, guidance and support."

The General, prior to assuming command, served as the first female Deputy Adjutant General to The Adjutant General of New Jersey, Maj. Gen. Glenn K. Rieth at the New Jersey Department of Military and Veterans Affairs located in Lawrenceville. She was appointed on March 1, 2002. In 2004, she became the first woman to pin on general's stars in the New Jersey National Guard.

"Make no mistake; she's a Soldier and an Airman first. During her time as a deputy, she didn't always get the glorious jobs. But every issue she took and every project that was handed to her was carried out," said Maj. Gen. Rieth. "And there were a lot of things that needed to be carried out during that time."

General Falca-Dodson provided oversight and management to more than 8,300 members of the New Jersey Army and Air National Guard, as well as state operations of the Department during the nearly seven years she served as the Deputy Adjutant General. During that time, the New Jersey Army and Air National Guard mobilized more than 7,000 Soldiers and Airmen in support of Operations' Iraqi Freedom, Enduring Freedom Noble Eagle, Hurricane Katrina and Rita efforts and Operation Jump Start.

She also had direct responsibility for the Army and Air full time operations, Strength, New Jersey National Guard Training Center, Ethics, and the Office of Military Affairs which includes; Public Affairs, Employer Support of the Guard and Reserve and Government Relations. She was Chair of the Long Range Planning Executive Steering Committee, the Efficiencies and Revenue Steering Committee; the Weapons of Mass Destruction Advisory Committee, is the TAG designee for the Domestic Security Preparedness Task Force and was Co-Chair of the Nursing Shortage Task Force in 2002.

The General attended the College of New Jersey (formerly Trenton State College) and received a Bachelor of Science degree in Nursing in 1975. Seven years later, she

Guard, Reserve members and families encourage to nominate employers

The Department of Defense opened the nomination season for the 2009 Secretary of Defense Employer Support Freedom Award on November 1. National Guard and Reserve members and their families are eligible and encouraged to nominate employers who have gone above and beyond in their support of employees serving in the seven reserve components.

Almost one-half of the U.S. military is comprised of the National Guard and Reserve. The Department of Defense shares these citizen warriors with their civilian employers, many of whom provide significant support to their employees who serve in the National Guard and Reserve.

In 2008 the Jersey City Fire Department was the first New Jersey employers to receive the Employer Support Freedom Award, one of fifteen employers bestowed with the high honor.

"The number of nominations was outstanding last year," said retired Army Col. Carmen Venticinque, chairman, New Jersey state field committee for Employer Support of the Guard and Reserve. "I encourage the more than 20,000 citizen Soldiers, Airmen, Sailors, Marines and Coast Guard members to nominate their employer this year."

The New Jersey ESGR held a luncheon for all the Freedom Award nominees and the Jersey City Fire Department was honored with the Pro Patria award along with Campbell Soup and Jenny Engineering.

Nominations will be accepted at www.freedomaward.mil/nominate.aspx until January 19, 2009. The Secretary of Defense Employer Support Freedom Award is the U.S. government's highest recognition given to outstanding employers.

The Freedom Award was instituted in 1996 under the auspices of the National Committee for Employer Support of the Guard and Reserve (ESGR) to recognize exceptional support from the employer community. More than 100 employers have received this prestigious award.

For questions regarding the nomination process, please contact Hank Pierre of the New Jersey ESGR at 609-562-0156.

DMAVA Green

By Tech. Sgt. Barb Harbison, DMAVA Public Affairs Specialist

As the pundits argue over global warming (for sure it's not happening here at Eggert Crossing Road!!), extinction of various animals, population growth and all those other subjects tied to the environment, we may not know any answers but we can figure out that recycling, repurposing and using less is better for the world around us.

We are starting a section of Highlights with tips and ideas to help all of us make better use of our environment. With apologies to Kermit, it's not easy being green. But as his song said,

I am green and it'll do fine, it's beautiful!

And I think it's what I want to be.

Do you have old sneakers lying in the bottom of your closet? You can turn your old sneakers into sports floors and fields. The sneakers are ground up and become new running tracks, indoor basketball courts and soccer fields. To find out how you can recycle your old sneakers and where the closest recycling store can be found, visit www.NikeReuseaShoe.com

Did you know that most plastic bottle caps are not recyclable? Aveda, who manufactures plant-based body care products has launched a bottle cap recycling program.

The program accepts caps that are rigid polypropylene plastic, sometimes noted with a 5 in the chasing arrows recycling symbol. This includes caps that twist on with a threaded neck such as caps on shampoo, water, soda, milk and other beverage bottles, flip top caps on tubes and food product bottles (such as ketchup and mayonnaise), laundry detergents and some jar lids such as peanut butter. Excluded from collection are pharmaceutical lids and non rigid lids such as yogurt lids, tub lids (margarine, cottage cheese), and screw on lids that are not rigid. If you can bend or break the lid with your bare hands, than it does not meet the rigid plastic definition. Please do not include any metal lids or plastic pumps or sprayers. Unfortunately, too much of the wrong types of materials can contaminate the recycling process. We appreciate your efforts in keeping it clean!

Go to www.aveda.com/caps to find out where to drop off your caps.

If you have a green tip or a site to recommend, drop me a line at Barbara.harbison@njdmava.state.nj.us.

Send your holiday cards to "Mail for Heroes"

By Tech. Sgt. Barb Harbison, DMAVA Public Affairs Specialist

I recently received an e-mail from a friend who was sending me a forward of a forward of a forward – you know the type – which asked me to do something special. It said:

When doing your Christmas cards this year, take one card and send it to this address. If we pass this on and everyone sends one card, think of how many cards these wonderful special people who have sacrificed so much would get.

A Recovering American Soldier
c/o Walter Reed Army Medical Center
6900 Georgia Avenue, NW
Washington, D.C. 20307-5001

I thought, what a neat idea, but then began to wonder. If there isn't a "To Any Servicemember" program at this time, why would this be in existence? So I went onto the Walter Reed Army Medical Center's Web site and found the following release.

The American Red Cross is sponsoring a national "Holiday Mail for Heroes" campaign to receive and distribute holiday cards to servicemembers and veterans both in the United States and abroad.

Holiday Mail for Heroes, which began Veterans Day is a follow-up to the 2007 effort that resulted in the collection and distribution of more than 600,000 cards to hospitalized servicemembers. This year's program will expand its reach to not only wounded servicemembers but also veterans and their families. The goal is to collect and distribute 1 million pieces of holiday mail.

"As we enter this holiday season-a time to celebrate with family and friends-it's important to remember the thousands of men and women who serve our nation in harm's way and those who are recovering in military and veterans hospitals," said Army Col. Norvell V. Coots, commander, Walter Reed Health Care System. "The Holiday Mail for Heroes program is a wonderful outreach effort and a great way to acknowledge the sacrifices of our men and women in uniform."

Holiday cards should be mailed to:

Holiday Mail for Heroes

P.O. Box 5456

Capitol Heights, MD. 20791-5456

All cards must be postmarked no later than Dec. 10. Cards should not be mailed or delivered to Walter Reed Army Medical Center.

TRICARE reduces rates for TRS on January 1

FALLS CHURCH, Va. - Effective Jan. 1, 2009, TRICARE will reduce the rates for TRICARE Reserve Select (TRS). Monthly premiums for TRS individual coverage will drop 44 percent from \$81 to \$47.51, and TRS family coverage will drop 29 percent from \$253 to \$180.17.

The 2009 National Defense Authorization Act (NDAA), section 704, required TRICARE to analyze Reserve Select costs from 2006 and 2007, and set new rates for 2009.

"Now that TRS has been in place for several years, we were able to calculate premiums for 2009 from actual cost data obtained in earlier years," said Army Maj. Gen. Elder Granger, deputy director of TRICARE Management Activity. "It is important to provide high quality and affordable healthcare coverage for our National Guard and Reserve families."

Established in 2005, TRS is a premium-based health plan for National Guard and Reserve personnel available for purchase by members of the Selected Reserve who are not eligible for or enrolled in Federal Employee Health Benefit plans.

TRS provides a health plan option to members of the Selected Reserve and their families when they are not on active duty status. The TRS plan delivers coverage similar to TRICARE Standard and Extra to eligible members who purchase the coverage and pay monthly premiums. TRS also features continuously open enrollment.

"It's an excellent health care option we are proud to offer," Granger said.

For more information about TRS visit the TRICARE Web site at <http://www.tricare.mil>.

The Health Systems Specialist supervisor for the New Jersey National Guard is Josephine C. (Grey) Acevedo. Call 609-562-0865 for more information.

Wanaque FOP sells T-shirts to benefit FRG

From Thomas P. Norton, Detective Captain/OEM Coordinator, Wanaque Police Dept.

Let me introduce myself – my son is deployed with the 50th IBC and I have gotten involved with the Riverdale FRG. As my son was nearing his deployment all the members that I work with at the Wanaque Police Department kept asking what can we do or buy for Kevin

(my son) and at that time there wasn't another thing he could take with him.

The Wanaque Police Department F.O.P. came up with the idea to help out Riverdale FRG by selling T-shirts to help the FRG's cause to send packages overseas, help the families as needed and the other programs that they will be running. The following message has gone out to as many people as we could find and we are asking that for your assistance in either purchasing a shirt or helping to send the following message to others.

****The Wanaque Police Department is selling T-Shirts to help support the New Jersey Army National Guard "Family Readiness Group" in their effort to send packages to our soldiers, assist the families and support their causes while their family members are deployed.**

As you are aware, over 3000 members of the NJ Army National Guard were deployed to support "Operation Iraqi Freedom" in August and we would like your support to help them and their families through this trying time.

The T-Shirts are \$20 each with ALL profits going to the FRG.

If you or any member of your organization would like to purchase a shirt you can e-mail me (tnorton@wanaqueborough.com) or call me, Capt. Ken Fackina or Sgt. Charlie Huber (973-835-5600) or they can mail a check to our attention at - Wanaque Police Department 579 Ringwood Avenue, Wanaque NJ 07465. Please indicate the size or sizes needed. If the T-shirt(s) need to be mailed we would ask that the money include \$1.80 per shirt for postage since we don't want to cut into the profits that will be donated to the FRG.

Our goal is to sell 1,000 of these gray colored shirts.

Thanks for helping us help them.

Pass on your BDUs, black boots to Civil Air Patrol cadets

Now that the ABUs and ACUs are filling your closet, what's happening to the BDUs and black boots that you used to wear? Before you start to tear the uniforms up for rags to wash the car, there is a worthy cause that can use them. The New Jersey wing of the Civil Air Patrol is a civilian, non-profit organization and an auxiliary of the U.S. Air Force. There are more than 1,100 members in the N.J. Wing, about half of them are cadets between the ages 12-21 and will wear the BDUs as part of their training.

The CAP program can give cadets a step up into their adult life – the first female pilot on the U.S. Air Force Thunderbirds demonstration team, Maj. Nicole Malachowski, and the first female solo pilot in the Thunderbirds, Maj. Samantha Glinski Weeks, both got their start in CAP.

Uniform items can be dropped at the CAP N.J. Wing headquarters on McGuire Air Force Base, building 3412 on Neely Road (around the corner from the McGuire Medical Clinic). Duty hours are Monday and Wednesday through Friday 9 a.m. to 6 p.m., and Tuesday noon to 9 p.m. For more information, call (609) 723-8200 or e-mail hq@njwg.cap.gov.

For more information about the Civil Air Patrol in New Jersey, visit www.njwgcap.org.

"Be a Star in Someone's Life"

The New Jersey National Guard Combined Federal Campaign has officially kicked off its 2008 Campaign which will run until the last week of November 2008.

The CFC provides each of us with an annual opportunity to voluntarily help others and ourselves by donating to the community, National and International level human, health and environmental organizations. This year there is the addition of an organization which may interest you: The Enlisted Association of the National Guard (EANGUS) "We Care for America" Foundation, Inc., CFC Donor ID #11859. This organization provides support to National Guard Soldiers and Airmen and their families, through various programs such as The EANGUS Scholarship Program; Emergency Relief Program; The EANGUS Awards Program; Patriotism Awareness, and Veterans Against Drugs. Monies raised are also used to help families of mobilized Guard soldiers pay their mortgages, rent and hospital bills.

Pension loan applications to be submitted through MBOS

From the desk of Lisa Dandrea, Human Resources, Personnel Assistant

NOTICE from the Division of Pensions and Benefits:

Effective Nov. 1, 2008, an eligible member who wishes to borrow against their pension account, MUST submit the loan request through the Pension Loan Application accessible through a personal account with the Member Benefits Online System (MBOS). Please note the following changes:

- ❖ The *Loan Application* will no longer be available as a printed form or through the Division's Web site.
- ❖ Paper *Loan Applications* that are received by mail as of Nov. 1, 2008, will be returned to members with instructions on submitting the loan request through MBOS.
- ❖ The loan fax number, which has been phased out of use since the introduction of loans through MBOS, will be completely disabled.
- ❖ Limited access to a computer or a member's reluctance to use MBOS **will not** be considered sufficient circumstances to allow manual loan processing.

Employees who are already registered MBOS users currently have access to the online loan application through their MBOS account.

Employees who are new to MBOS can access MBOS after they register with both the *MyNewJersey* Web site and MBOS. Registration is free; however, the registration

process requires several steps and new users should carefully follow the MBOS registration instructions. Visit <http://www.state.nj.us/treasury/pensions/mbosregister.htm> for a complete list of instructions. If, after following the MBOS Registration Instructions, you still need assistance registering for or using MBOS, please contact the MBOS Help Desk at (609) 777-0534 or send an e-mail with the subject line "MBOS E-mail" to: pensions.nj@treas.state.nj.us

Employees required to register for MBOS

From the desk of Lisa J. Dandrea, Human Resources, Personnel Assistant

MBOS is the Member Benefits Online System. Through MBOS, employees may review their pension contributions, loan status, health benefits information, update their beneficiary information, apply for retirement, as well as many other applications. It has been encouraged that all employees register for this helpful tool. However Pensions is now working on MBOS being a requirement in order for employees to make certain updates to their personal information.

Effective immediately, in all cases where an employee is eligible to become a member of the Public Employees' Retirement System (PERS), the employer will be required to submit all enrollment information to Pensions via online. Important to note is that the online PERS Enrollment Application does not include the Designation of Beneficiary page. Instead, once the member is enrolled and issued a pension number, they must register for a MBOS account at: www.state.nj.us/treasury/pensions/mbosregister.htm and complete the online Beneficiary Designation form. Until the member completes his or her Designation of Beneficiary, the member's "Estate" will be the beneficiary of record.

Current employees –note, even if you are already enrolled into PERS, if you wish to make any changes to your beneficiary information, you too will need to be registered for MBOS. Members will not be able to submit the Change in Beneficiary Designation paper form since this will no longer be acceptable through the Division of Pensions and Benefits.

Visit the link above for complete instructions to register for MBOS. If you encounter any problems with registration, you may e-mail Pensions and Benefits with your questions/concerns and they can assist you through the process. You may also obtain a tri-fold brochure with MBOS instructions from your Human Resources Office.

contact Lisa Dandrea in HRD-ESB at 609-530-6888 or e-mail Lisa.Dandrea@njdmava.state.nj.us.

DoD develops compensation and benefits handbook

DoD announced today it has developed a comprehensive handbook describing compensation and other benefits service members and their families would be entitled to upon separation or retirement as a result of serious injury or illness.

"The Compensation and Benefits Handbook is the one source of information that covers everything a seriously ill and injured service member will need during his or her recovery, rehabilitation and reintegration," said Ronald A. Winter, principal deputy assistant secretary of the Air Force for manpower and reserve affairs.

The handbook was compiled in cooperation with the Departments of Veterans Affairs, Labor, Health and Human Services, and Education and the Social Security Administration. Additionally; there are references to assistance provided by other governmental and non-governmental agencies and organizations.

"The handbook describes the disability eligibility process, various program qualifications, application procedures, and numerous resources with associated contact information," said Sharon Gunselman, policy and resource analyst for the Department of Defense.

Web sites and toll-free numbers are provided, and the electronic version includes hyperlinks. The electronic version of the handbook will be updated frequently and the hard copy of the compensation and benefits handbook will be updated annually.
