Employees hear about energy, budget cuts and moves

At the Town Hall meeting on Oct. 3, Maj. Gen. Glenn K. Rieth, The Adjutant General, spoke to the employees of the headquarters building in Lawrenceville about energy, budget cuts and saving money to save jobs and programs.

With energy costs of \$5 million last year, Gen. Rieth believes this is one area where the department can save money from the budget. So DMAVA has implemented an energy conservation program which will include absolutely no space heaters in the building and no individual refrigerators, coffee pots, microwaves or other appliances.

Rieth reminded employees that according to regulations, heat does not get turned on in military buildings until Nov. 15 unless there have been three consecutive days with below freezing temperatures. "Wear extra layers and two pairs of socks to keep warm this winter," he added.

To help with energy costs, two federal programs are moving their offices into the Lawrenceville building in October. The State Family Programs Office will move into the offices currently used by the Human Resources Division who will move to the first floor. The Trainee, Transient, Holdee (Medical) and Student (TTHS) Company will move into the spaces currently occupied by the Public Affairs Office. The PAO will move their desks to cubicles between on the first floor between Fiscal and Information and Administrative Services Division.

Other money-saving measures include moving VSO offices to armories to save on rent, selling some armories that are currently not being used, consolidation of the Mercer Airport facilities with the State Police and possible mothballing of some armories while the tenant units are deployed.

According to Gen. Rieth, it is hoped that these measures will keep DMAVA from cutting people or programs. "These (people and programs) may have to be cut if we don't get in front of this problem," he stated.

Joseph Thorpe. Members from the Seton Hall ROTC were also present.

A special mention to Recruiting and Retention as their leadership and staff played a major role in supporting the event: they coordinated for a tent and giveaways. Kudos go out to 1st Lt. Richard McAndrew and Sgt. Herman Sanchez for volunteering and monitoring the N.J. tent for many hours. The spouses, kids and friends should also be commended for supporting their runners and the New Jersey Guard.

We would like to thank all the commands for their earnest support and dedication to health and fitness. The National Guard celebrated its tenth year commitment to health and fitness on the same day as the Army Ten Miler.

Mark your calendars - the official registration site for the 2009 Army Ten Miler will open around April 1, 2009. I guarantee that signing up will be completed at a record time. The 25th Annual Army Ten Miler will be held on Oct. 4, 2009. A quarter century of Army running will be an incredible celebration to remember.

Military Health System asks for feedback

WASHINGTON -- The Military Health System invites wounded, ill or injured service members and their families to respond to a new pair of questionnaires designed to help MHS leaders better understand the needs and expectations of the warriors in their care.

The questionnaires—one for wounded, ill or injured service members and one for their family members—are available on the Military Health System Web site, <http://www.health.mil/Pages/Page.aspx?ID=18> beginning today and will remain open for completion until October 15. Both questionnaires ask for feedback concerning a service member's experience and satisfaction with the care he or she has received since becoming wounded, ill or injured.

To encourage honest and specific answers that will lead to positive changes in how the MHS handles care for wounded, ill or injured service members, all questionnaire responses are anonymous. Questionnaire results and analysis should be available in November, 2008, at www.health.mil.

These questionnaires are part of Defense Secretary Robert Gates' commitment to supporting wounded, ill and injured service members—ensuring that their care is DoD's top priority. This care is continually improving but MHS leaders recognize that there is still more to be done. By listening to the opinions of wounded, ill or injured service members and their families, the MHS will be in a better position to meet their needs and expectations. The online questionnaires are available now at: <http://www.health.mil/Pages/Page.aspx?ID=18>.

America's Military Health System (MHS) is a unique partnership of medical educators, medical researchers, and healthcare providers and their support personnel worldwide.

LOD Module users have added access

From the desk of Josephine C. (Grey) Acevedo, Health Systems Specialist Supervisor

Attention all Line of Duty Module users... Effective Aug. 4, 2008, NGB has added access to the Military Medical Support Form in the LOD Module!

Unit level users will have access and be required to fill out all MMSO forms online and forward to Unit Commanders for approval. Upon submission, users will get an email notification in their AKO inbox that a "pre-authorization" is ready for review/approval. Upon approval from Unit Commander, users must submit this form with LOD in Module accordingly.

There are two versions of this form. Form 1 is used for authorization of care for EMERGENCY services, Form 2 is used for ROUTINE care.

These forms are critical for submission of bills. Once a bill arrives in our office, we verify the LOD approval, request the bill in a HCFA format with all procedure codes, submit the bill to MMSO office, then ultimately to TRICARE for payment.

While the Army states very clearly that they are not soliciting contributions they are providing lots of information on how to make donations in areas of concern, such as Soldiers and families, Wounded Warriors and Army installations.

Joyce Morrow, the administrative assistant to the Secretary of the Army, explained: "Many individuals have asked how they can help the Army. We appreciate how generous the public is and the concern they have for the welfare of our soldiers and families. We've developed this Web site to provide information on how to contribute money, goods or services to benefit Soldiers and their Families." [Source: TREA Washington Update, Aug. 29, 2008]

- ❖ The *Loan Application* will no longer be available as a printed form or through the Division's Web site.
- ❖ Paper *Loan Applications* that are received by mail as of Nov. 1, 2008, will be returned to members with instructions on submitting the loan request through MBOS.
- ❖ The loan fax number, which has been phased out of use since the introduction of loans through MBOS, will be completely disabled.
- ❖ Limited access to a computer or a member's reluctance to use MBOS **will not** be considered sufficient circumstances to allow manual loan processing.

Employees who are already registered MBOS users currently have access to the online loan application through their MBOS account.

Employees who are new to MBOS can access MBOS after they register with both the *MyNewJersey* Web site and MBOS. Registration is free; however, the registration process requires several steps and new users should carefully follow the MBOS registration instructions. Visit <http://www.state.nj.us/treasury/pensions/mbosregister.htm> for a complete list of instructions. If, after following the MBOS Registration Instructions, you still need assistance registering for or using MBOS, please contact the MBOS Help Desk at (609) 777-0534 or send an e-mail with the subject line "MBOS E-mail" to: pensions.nj@treas.state.nj.us

Looking for volunteers to assist in emergencies at DMAVA offices

From the desk of Paul Serdiuk, Training Coordinator

We are looking for volunteers within the DMAVA Central Office complex who would be willing to be trained in Adult CPR and Automatic External Defibrillator (AED) application should an emergency arise within offices. Training would be held sometime in the latter part of September. We would like to train at least two individuals from each section in CPR/AED. Contact me at 609-530-6878 if you are willing to volunteer for this life-saving training.

If you have not yet noticed, the AED units are up and ACTIVE on the first and second floors in the fire hose cabinets. Please do not touch the units as an alarm will sound when they have been disturbed.

Employees required to register for MBOS

From the desk of Lisa J. Dandrea, Human Resources, Personnel Assistant

MBOS is the Member Benefits Online System. Through MBOS, employees may review their pension contributions, loan status, health benefits information, update their beneficiary information, apply for retirement, as well as many other applications. It has been encouraged that all employees register for this helpful tool. However Pensions is now working on MBOS being a requirement in order for employees to make certain updates to their personal information.

Effective immediately, in all cases where an employee is eligible to become a member of the Public Employees' Retirement System (PERS), the employer will be required to submit all enrollment information to Pensions via online. Important to note is that the online PERS Enrollment Application does not include the Designation of Beneficiary page. Instead, once the member is enrolled and issued a pension number, they must register for a MBOS account at: www.state.nj.us/treasury/pensions/mbosregister.htm and complete the online Beneficiary Designation form. Until the member completes his or her Designation of Beneficiary, the member's "Estate" will be the beneficiary of record.

Current employees –note, even if you are already enrolled into PERS, if you wish to make any changes to your beneficiary information, you too will need to be registered for MBOS. Members will not be able to submit the Change in Beneficiary Designation paper form since this will no longer be acceptable through the Division of Pensions and Benefits.

Visit the link above for complete instructions to register for MBOS. State employees who move, marry must contact HR department

From the desk of Lisa Dandrea, Human Resources, Personnel Assistant

If you are a state employee, working for DMAVA, Vets Haven, and the Cemetery, and you have an address change and/or a name change, it is *extremely* important that you contact Lisa Dandrea in the Human Resources Office. addresses. Your address change is not automatic and it is not limited to completing a new W4. There are specific forms for employees to complete that updates their new information statewide. Your change of address or name affects your paycheck, your pension statements, W2s, loans, any information sent out by your health care provider, promotional announcements from Dept. of Personnel, etc. If you have had an address/name change and have not updated your information, please make sure you contact Lisa Dandrea in HRD-ESB at 609-530-6888 or e-mail Lisa.Dandrea@njdmava.state.nj.us.
