Program: Construction Facilities Management Office

Scope of Eligibility: Applications will be accepted from all New Jersey Department of Military and Veterans Affairs employees and outside applicants who meet the requirements listed below. Selection will be made from among the best qualified.

Note: Appointment to this may be made provisionally, pending the outcome of an open competitive examination (PAOC). If selected for the position and appointed PAOC, you will be required to apply for the open-competitive examination, when issued by the Civil Service Commission for this title, pass, and be reachable on the resulting eligible list to become permanent in the position. Appointees who fail to be reachable on the resulting eligible list are subject to removal.

Job Description: Under supervision of a supervisory official in a state department or agency, takes the lead in the operation, maintenance, adjustment, repair, and servicing for a complex or group of buildings with not less than 1,000 combined tons of cooling and 1,000 boiler horse power, air conditioning and heating system units, and auxiliary equipment, or where heating is supplied by a cogeneration plant, or where boiler operation is not applicable; does other related duties as required.

Civil Service Commission Requirements

Experience: Two (2) years experience in the operation, maintenance, repair, and adjustment of heating, air conditioning, refrigeration, auxiliary equipment, related electric or solid state controls and wiring, and the conditioning of air and water in roof mounted units, boilers, and chilling systems, or other type of heating/refrigeration system.

License: Appointee will be required to possess a driver's license valid in the State of New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

Appointee may be required to possess an Operating Engineers License of the appropriate grade and type issued by the New Jersey Department of Labor.

Appointees will be required to possess a valid Air Conditioning and Refrigeration Technician Certification of the appropriate level, commensurate with the type of equipment serviced, issued under the authority of the Federal Environmental Protection Agency.

Residency: Pursuant to the "New Jersey First Act" N.J.S.A. 52:14-7 (L. 2011, Chapter 70), newly hired public employees are required to reside in the State of New Jersey, unless exempted under the law. If you do not reside in New Jersey, you have one (1) year after you begin employment to relocate your residence to New Jersey.

Authorization to Work: Selected candidates must be authorized to work in the United States per the Department of Homeland Security, United States Citizenship and Immigration Services regulations.

Note: The State of New Jersey does not provide sponsorship for citizenships to the United States.

Veterans' Preference: To qualify for New Jersey Veteran's Preference/status, you must establish Veteran's Preference through the Department of Military and Veterans' Affairs. Please submit proof of your Veteran's Preference along with your resume as indicated below. For more information, please visit <https://nj.gov/military/veterans/services/civil-service/preference>
