Welcome to the New Jersey Veterans Benefits Guide. This guide continues a tradition of providing relevant information to New Jersey’s Veterans community.

Keeping you informed is part of the New Jersey Department of Military and Veterans Affairs (NJDMAVA) continuing outreach efforts. Through extensive research and preparation, NJDMAVA has assembled valuable material into this edition of the Veterans Benefits Guide. Many New Jersey Veterans are unaware of the numerous federal and state program benefits, entitlements and services they have earned in defense of this great nation.

Our website at https://www.nj.gov/military/veterans/ acts as a portal to assist New Jersey’s Veterans in obtaining information they need to access benefits and services more efficiently and effectively.

We encourage you to contact the Department’s Veterans Service Officers for additional information and assistance when applying for a program, benefit or entitlement.

“Serving those who served” are more than just our watchwords at NJDMAVA; it is a promise that we will support those whose service and sacrifice have ensured this nation’s survival.

VA IDENTIFICATION CARD

The VA provides eligible Veterans with a Veterans Identification Card (VIC) for use at VA medical facilities. Only Veterans who are eligible for VA medical benefits will receive the card. The card’s purpose is for identification and check-in at VA appointments. It is important to keep the VIC safe and secure. Some bar code readers, including cell phone applications, can scan the bar code on the front of the card, revealing the Veteran’s social security number, making the Veteran subject to identity theft. If the card is lost or stolen, contact the VA medical facility where they took their picture to request a new card be re-issued. The Veteran should receive a new card in 7-10 days. If the card is not received in that time, call VA at (877) 222-8387. The VA also offers a card certifying proof of service. It can be obtained only by applying online at www.vets.gov. Most counties also offer a Veterans Photo ID. Call your county’s Veterans’ Bureau or County Clerk for information.

New Jersey values the contributions that our Veterans have made and continue to make for our country’s freedom and for other nations around the world. As such, New Jersey’s merit system provides absolute Veterans preference in employee selection. This means that qualified Veterans are placed at the top of an open competitive employment list ahead of non-Veterans, regardless of their scores. Disabled Veterans and Veterans are placed on promotional lists according to their scores, but are given preference over non-Veterans when a disabled Veteran or Veteran is at the top of a certification of the list to an appointing authority.

To obtain Veterans preference on CSC examinations, you must complete the Civil Service Veterans preference claim form. For more information, visit [https://www.nj.gov/military/veterans/services/status-for-pensions/](https://www.nj.gov/military/veterans/services/status-for-pensions/), or call (888) 865-8387, or email: VBB@dmava.nj.gov.
