

The RecoveryFest Benefit took place August 26th and 27th in honor of International Overdose Awareness Month to celebrate and recognize those who have recovered, currently in recovery and their families.

Civil Operators with the CounterDrug Task Force assisted with facilitation and media support and produced edited photography for the Coalition. The images taken were all put into a folder for the the Coalition to have access to for future initiatives to gain capacity and sustain member involvement.

WELCOME

RecoveryFest

**Saturday,
 August 27th, 2022**

CDTF also assisted with creating the brochure for the event, highlighting timelines of guest speakers and who will be presenting their respective segments.
