

# VOLUNTEER OPPORTUNITY

Join our team of ETS/EAS Sponsors and have a significant impact upon a transitioning service member and their family.

## How to become an ETS/EAS Sponsor:

### Get Certified

Enroll online by visiting our website.  
Complete three virtual training sessions as part of a cohort.

### Connect

You will be matched with a transitioning service member moving to your community.

### Assist With Transition

Assist your transitioning service member with identified goals as they transition to the community.

## SPONSOR FAQs

### What is ETS-SP?

ETS-SP stands for the Expiration Term of Service- Sponsorship Program.

### Who can be a sponsor?

Anyone- military or civilian- who cares about our service members and Veterans and is willing and able to commit the time.

### What are the sponsor's responsibilities?

- Contact the transitioning service member regularly
- Guide the transitioning service member in identifying goals and developing action plans
- Share their knowledge of the local area and available resources

### Who will help me on this journey?

Throughout the journey with the transitioning service member, the ETS-SP leadership and regional contacts serve as a network of support for our sponsors. They provide tips on building relationships and guidance along the way.
