Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

I am pleased to inform you that all work is complete in the Liberty Wing and the newly finished rooms are ready for residents. Our staff is reaching out to residents, family members and those designated by powers of attorney to discuss resident preferences and timelines.

Active Environmental Technologies, Inc. continued abatement treatment and repairs within the Freedom, Old Glory and Stars and Stripes wings. Fixture work, facility maintenance and cleaning is taking place in Independence Wing.

Please contact me at lisa.kranis@dmava.nj.gov to share any additional questions or concerns. If you have concerns, please provide us with specific details, such as room numbers, so that we can look into the matter.

Regards,
