Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

Active Environmental Technologies, Inc. continued work within the Eagle Wing, and NJDMAVA has finished assessing the scope of work for most anticipated repairs to studs and plumbing inside the walls, the replacement of drywall, fresh paint, and post-work site cleaning.

Please contact me at [lisa.kranis@dmava.nj.gov](mailto:lisa.kranis@dmava.nj.gov) to share any additional questions or concerns. If so, please provide us with specific details such as room numbers so that we can look into the matter.

Regards,
