SUBJECT: **Administrative Order 2017-02
IRP and IFTA Requirements Temporarily Waived**

All MVC partners and stakeholders are hereby informed that Chairman and Chief Administrator Raymond P. Martinez has issued the attached Administrative Order 2017-02.

This Order is a temporary waiver of the International Registration Plan (IRP) and International Fuel Tax Agreement (IFTA) trip permit requirements for all commercial carriers/vehicles traveling through New Jersey in support of disaster relief efforts for Texas, Louisiana or Florida.

Operators of commercial motor vehicles involved in these efforts are still required to comply with the appropriate laws pertaining to safety and commercial driver licensing, as well as maintaining required insurance.

Any questions about Administrative Order 2017-02 should be directed to the MVC Motor Carrier Services unit at (609) 633-9400.
