SUBCHAPTER 12. PROHIBITED ACTIVITIES

13:18-12.1 Purpose and scope

The purpose of this subchapter is to maintain Commission property in an orderly and safe manner for the purpose for which that property was established. Commission property is a non-public or limited public forum, which exists for the purpose of conducting Commission business. The rules in this subchapter apply to all property pursuant to the authority or control of the Motor Vehicle Commission and to all persons entering in or on such property.

13:18-12.2 Definitions

The following words and terms, when used in this subchapter, shall have the following meanings, unless the context clearly indicates otherwise.

"Audio and video recording" means the capture and/or storage of an individual's voice or sounds and/or an individual's image, and/or the image or images of documents or computer screens, or any structures or objects of any nature located in or on Commission property, including by means of live streaming or broadcasting by using capable technology (for example, video cameras, cellular telephones, tape recorders, or wearable technology).

"Commission property" is a non-public or limited public forum for a designated Commission purpose, and means all land, buildings, vehicles used as mobile agencies, vehicles used for road tests, and all sidewalks, roadways, and/or any other areas within the lands which are owned, leased, or controlled by the Motor Vehicle Commission.

"Live streaming or broadcasting" means in the case of live streaming, the transmission of data by streaming of video or audio or both, in real time or near real time, over the internet or on demand for live viewing, and interaction between the transmitting individual and the viewer. Broadcasting means the transmission of data to a large audience, by any means, over the internet or other means for one-way communication.

"Motor Vehicle Commission," or "Commission," means the New Jersey Motor Vehicle Commission established pursuant to section 4 at P.L. 2003, c. 13 (N.J.S.A. 39:2A-4).

"'Personal information (PI)' and 'personally identifiable information (PII)'" mean information that is protected from disclosure by the New Jersey Driver Privacy Protection Act (DPPA), N.J.S.A. 39:2-3.3 through 3.7, and identifies an individual, including an individual's photograph; Social Security number; driver identification number; name; address, other than the five-digit zip code; telephone number; and medical or disability information, but does not include information on vehicular accidents, driving violations, and driver's status.

"Weapon" means any object as defined at N.J.S.A. 2C:39-1.r and as amended.

13:18-12.3 Prohibited activities

(a) The following conduct is prohibited in and/or on all Commission property:

1. Engaging in any conduct prohibited by Federal, State, or local law;
2. Possessing any weapons, except as specifically permitted by law;
3. Smoking, chewing tobacco, use of e-cigarettes or vaping, use of tobacco, marijuana, or any product used in connection with tobacco or marijuana, or carrying any lighted or smoldering pipe, cigar, or cigarette;
4. Disruptive, harassing, or unsafe behavior, including conduct that interferes with Commission employees or Commission officials in the performance of their duties, or interferes with the proper use of the Commission property by others;
5. Abusive or harassing behavior, including the use or display of obscene language, gestures, or graphics, as set forth at Chapter 34 of the New Jersey Code of Criminal Justice;
6. Blocking entrances, exits, fire exits, access areas, or otherwise interfering with the provision of services or the use of Commission property by Commission employees, Commission officials, and/or the invited public;
7. Entering or remaining in nonpublic areas without authorization by the Chief Administrator. Areas inside Commission buildings, including offices, hallways, stairways, and elevators, are open to the public only to the extent necessary to attend to Commission business, or to attend a Commission-sponsored function, event, or activity to which the person is an invitee, or to attend a duly noticed public meeting. Otherwise, such areas are deemed nonpublic areas. Areas behind customer service counters, secured access doors, "employee only" areas, areas where public access would pose a security risk to people or property, or areas where public access would pose a risk to the protection of PI and PII, are deemed nonpublic areas;
8. Any act that could result in substantial risk of harm to persons or property, as determined by Commission personnel;
9. Disrupting Commission business, events, or other Commission-sponsored or authorized activities;
10. Leaving unattended packages, backpacks, luggage, or other personal items. Any such items are subject to immediate confiscation and may be subject to search;
11. Laying down or sleeping in chairs, benches, or any other furniture or on floors or countertops;
12. Posting or affixing to Commission property without permission from the Chief Administrator, or the Chief Administrator's designee, any signs, leaflets, posters, flyers, pamphlets, brochures, and written, pictorial, or graphic material of any kind;

13. Tampering with or unauthorized use of systems or devices in and/or on Commission property, including electrical, plumbing, locks, doors, or cameras;

14. Photographing and/or audio and video recording and/or live streaming or broadcasting an individual using any kind of camera, device, or technology capable of capturing an individual's image or voice, or documents or computer screens, or any structures or objects of any nature, located in or on Commission property, except as may be permitted during duly noticed public meetings, or as otherwise approved by the Chief Administrator, or the Chief Administrator's designee. The use of artificial intelligence-powered smart glasses or any similar technology capable of live streaming, broadcasting, photographing, or recording is also prohibited anywhere in or on Commission property, except as may be expressly permitted during duly noticed public meetings, or as otherwise approved by the Chief Administrator, or the Chief Administrator's designee. Except as otherwise approved by the Chief Administrator, or the Chief Administrator's designee, audio and video recording, live streaming, or broadcasting may only be conducted during open public meetings, and only within any room or office where said activity has been authorized by the Chief Administrator, or the Chief Administrator's designee. Audio and video recording, live streaming, or broadcasting of public meetings must be undertaken in a quiet and orderly manner, so as not to interfere with the conduct of the meeting, block the view of any person attending the public meeting, or block any aisle, row, ingress, or egress;

15. Remaining on or entering Commission property after posted hours of operation or after the conclusion of an authorized "after hours" public meeting or event; and

16. Soliciting and making contributions on Commission property, as prohibited at N.J.A.C. 19:25-11.14, or conducting any activity set forth by the Election Law Enforcement Commission.

(b) Failure to cease conduct specifically prohibited at (a)1 through 16 above, immediately after a request by Commission personnel to do so, is a violation of this section.

(c) A copy of this subchapter shall be posted on, or in close proximity to, all public entrances of Commission-owned, controlled, and leased buildings and mobile agencies of the New Jersey Motor Vehicle Commission. A copy of this subchapter or any portion thereof may be posted on, or broadcast on any internal projection, within Commission property, as deemed appropriate by the Commission.

13:18-12.4 Violations

Any conduct, including authorized photographing or audio and video recording, live streaming, or broadcasting that disrupts the routine operations of the Commission or that limits or disrupts access to members of the public in need of services, is prohibited. The Commission may ask an individual who fails to follow this subchapter or a posted policy of the Commission to turn off any recording device or to immediately cease the disruptive behavior. If an individual refuses to comply with the request and continues to disrupt the routine operations of the Commission, the individual may be instructed to leave the Commission property. An individual who refuses to comply with an instruction to leave the Commission property will be removed from the property by Commission personnel and/or by law enforcement.
