**IMPORTANT NOTICE**

The USAA Group is required by Pennsylvania law to send you this identification (ID) card. The ID card shows an insurance policy has been issued for the described vehicle(s), and it verifies you're maintaining the financial responsibility required by law.

Your ID card information can be used for registering your vehicle and replacing license plates. The card isn't valid if your liability insurance policy is not in effect. It's against Pennsylvania law to use the ID card fraudulently, such as proof of financial responsibility after the insurance policy is terminated.

When any police officer asks, you must show your ID card. If you have an accident, each driver has the right to see the other driver's insurance ID card.

KEEP A COPY OF YOUR ID CARD WITH YOUR MOTOR VEHICLE AT ALL TIMES.

If you lose the card, contact us for a replacement. Additional copies are also available at [usaa.com](http://usaa.com).
