SUBJECT: Will Graham Celebration - School Bus Authorization

All MVC law enforcement partners are reminded that, pursuant to N.J.S.A. 39:1-1 et seq., the New Jersey Motor Vehicle Commission has issued an exception to the authorized use of school buses by the Jersey Shore Will Graham Celebration for the transporting of attendees during its event at Ocean Grove's Great Auditorium May 20 through May 22, 2011. The exception was issued due to the significant number of expected attendees, traffic impacts on local and state roadways and potential parking concerns.

Due to the fact that the organizing party for this special event with regional significance could not secure sufficient charter bus services, First Student of Neptune has been contracted by the organization to provide transportation services with its fleet of approximately 200 vehicles. The school buses will transport attendees throughout Monmouth and Ocean Counties and potentially several other in-state locales.

Any questions about this exception should be directed to the MVC Office of Regulatory and Legislative Affairs at (609) 777-1407.
