SUBJECT: Motor Vehicle Extension

All MVC law enforcement and court partners are reminded that an extension for the August expiration of all driver licenses, permits, vehicle registrations and inspections was granted on August 26, 2011 due to the impact of Hurricane Irene. The extension is valid until September 10, 2011. This information was communicated to the law enforcement community by the Office of Governor Chris Christie.

The MVC has received reports that motorists with expired documents have been issued violations by various law enforcement entities. Motorists with documents that expired in August 2011 should not be given violations prior to September 10. The Administrative Order granting the extension is posted at the following link: <http://www.state.nj.us/mvc/pdf/About/AdminOrder-2011-01.pdf>

Any questions about this extension should be directed to the MVC Office of Regulatory and Legislative Affairs at (609) 777-1407.
