NJMVC Facilities to Close for the State Holiday on Tuesday, November 3

TRENTON — All New Jersey Motor Vehicle Commission (NJMVC) facilities, including agencies, road test sites, and inspection stations, will be closed Tuesday, November 3, 2026, in observance of the state holiday.

While the facilities will be open for normal business hours the rest of next week, customers should be aware that all NJMVC locations will be closed for another state holiday the following week, on Wednesday, November 11.

The Commission's website, NJMVC.gov, remains open 24/7, providing a convenient way for customers to complete their motor vehicle business. Over 25 online services are available, including driver license renewals and replacements, vehicle registration renewals and replacements, address changes, fee and surcharge payments, driver record requests, specialty plate requests, and more.

New Jerseyans in need of motor vehicle services should always visit the website first to use online services, schedule required appointments for in-person services, verify what to bring for their NJMVC visit, and resolve the most common customer concerns.
