NJMVC Facilities to Close for the State Holiday on Wednesday, November 11

TRENTON — All New Jersey Motor Vehicle Commission (NJMVC) facilities, including agencies, road test sites, and inspection stations, will be closed Wednesday, November 11, 2026, in observance of the state holiday.

The facilities will be open for normal business hours the rest of this week, and the Commission's website at NJMVC.gov remains open 24/7.

New Jerseyans in need of motor vehicle services should always visit the website first to use over 25 online services, make appointments for in-person services, verify what to bring for their NJMVC visit, and find answers to common customer questions.

While most customers can complete their motor vehicle business online in New Jersey, nearly all in-person services at NJMVC facilities — for permits, driver testing, document renewals, REAL IDs, new titles and registrations, and more — require an appointment that must be scheduled at the website.
