**NOTICE TO LICENSED NEW JERSEY MOTOR VEHICLE DEALERS REGARDING  
ELECTRONIC TEMPORARY TAG REGISTRATION EVENT**

To All New and Used Vehicle Dealers:

July 1<sup>st</sup> is fast approaching. Beginning on that day you will no longer be allowed to issue Temporary Registration Tags (Temp Tags) using the old style paper form. Quite a few motor vehicle dealers have registered in the new eTemp Tag system however, there are still many who have not.

The New Jersey Motor Vehicle Commission (MVC) and its business partner NIC, USA will be present at the Manheim Auction in Bordentown, N.J. on May 30<sup>th</sup> and June 6<sup>th</sup> during the auction's normal business hours in order to assist anyone who is having difficulty registering online.

If you need assistance, be sure to have your dealer license number and the driver's license number of one of the dealership owners/principles handy.

Please note that between now and July 1, you will be able to continue issuing the old style paper temp tags even if you have registered your dealership in the eTemp Tag system.

If you have any questions, you can contact the MVC at 609-292-6500 x-5014 or post your question using the "Questions Form" found on the NIC website at [www.njportal.com/temptags](http://www.njportal.com/temptags).

Don't miss this opportunity to stop by and register.
