CREDIT/CREDIT RECAPTURE FOR COMPANIES OTHER
THAN LIFE**

Beginning with the 2021 filing season, eligible domestic and foreign Property & Casualty insurers that claim the Guaranteed Fund Assessment Credit on their Insurance Premiums Tax DEM or EM returns must complete and include Form GFA-IPT and include the required supporting documentation with their filings.

Pursuant to N.J.S.A. 17B:32A-18(b), for any sums that are acquired by member insurers resulting from a refund from the association pursuant to subsection f of section 8 of this act, and that have already been offset against premium taxes as provided in subsection a of this section, the Division of Taxation requires insurers to file amended return(s) to reduce/pay back any credits they received when assessments are refunded. By doing so, the State recovers the tax revenue associated with the credit.

Eligibility—Provided for by the New Jersey Life and Health Insurance Guaranty Association Act (N.J.S.A. 17B:32A-18), a member Life and Health insurer may offset against its premium tax liability, attributable to premiums written in that year, any assessments for which a Class B Certificate of Contribution has been issued, to the extent of 10% of the amount of those assessments for each of the five calendar years following the second year after the year in which those assessments were paid, except that no member insurer may offset its premium tax liability by more than 20% of its tax liability in any one year.
