NEW JERSEY EDUCATIONAL FACILITIES AUTHORITY

REQUEST FOR PROPOSALS FOR INVESTMENT ADVISORY SERVICES

Date Issued: April 26th, 2019

1.0 BACKGROUND OF THE AUTHORITY

The New Jersey Educational Facilities Authority (“NJEFA” or “Authority”), an independent and self-supporting state entity, was created as a public body corporate and politic of the State of New Jersey (the “State”) pursuant to the New Jersey Educational Facilities Authority Law (being Chapter 72A of Title 18A of the New Jersey Statutes, as amended and supplemented), *N.J.S.A. 18A:72A-1 et seq.* (the “Act”), to provide a means for New Jersey public and private colleges and universities of higher education (the “Institutions”) to construct educational facilities through the financial resources of a public authority empowered to sell tax-exempt and taxable bonds, notes and other obligations. NJEFA is New Jersey’s primary issuer of municipal bonds to finance and refinance the construction and development of academic facilities at the Institutions.

The Authority finances and refinances various types of projects for Institutions of higher education in New Jersey. Projects include, but are not limited to, the construction, renovation and acquisition of residential, academic, and research facilities; libraries; technology infrastructures; student life and athletic facilities; parking structures; energy and utilities-related projects; and refinancing of existing debt. The Authority also, from time to time, issues State-backed bonds to fund the State of New Jersey’s Higher Education Capital Grant Programs.

The obligations issued by the Authority are special and limited obligations of the Authority and are not a debt or liability of the State of New Jersey or of any political subdivision thereof other than the Authority and are not a pledge of the faith and credit of the State or of any such political subdivision thereof. The Authority has no taxing power. The obligations issued by the Authority are payable solely from amounts received by the Authority under the transaction documents and amounts on deposit in certain funds established under the transaction documents. The Authority’s State-backed bond programs for higher education and public library facilities provide that debt service will be paid by the State Treasurer pursuant to a contract between the Authority and the State Treasurer, subject to annual appropriation by the New Jersey State Legislature.

This solicitation of responses is being conducted pursuant to State laws, regulations and executive orders, specifically Executive Order No. 26 (Whitman, 1994) (“EO 26”) and Executive Order No. 37 (Corzine, 2006) (“EO 37”), and the policies and procedures of the Authority with regard to the procurement of professional services.

2.0 PURPOSE AND INTENT OF REQUEST FOR PROPOSALS

The Authority is seeking proposals from qualified vendors to invest funds and assets of the Authority, which are defined herein as follows:

- 1) **Authority Bond Funds**: Bond-related funds which are bond proceeds of the various financing transactions the Authority undertakes on behalf of New Jersey public and private colleges and universities and the State of New Jersey. The Authority currently has outstanding series of such Bonds and expects to issue additional series of Bonds in the future.
- 2) **Authority Operating Funds**: Operating Funds are monies used to pay Authority expenses and the revenues flowing into this fund represent initial and annual fees the Authority charges its college and university borrowers and the State of New Jersey in connection with the financings that it undertakes.
- 3) **Authority Other Post-Employment Benefit (“OPEB”) Trust Funds**: Authority funds held in a special purpose trust to pay Authority employee retirement benefits, other than pensions, and represent restricted long-term investable assets to fund ongoing retirement benefit obligations.

NEW JERSEY STATE
POLICY PROHIBITING DISCRIMINATION IN THE WORKPLACE

I. POLICY

a. Protected Categories

The State of New Jersey is committed to providing every State employee and prospective State employee with a work environment free from prohibited discrimination or harassment. Under this policy, forms of employment discrimination or harassment based upon the following protected categories are prohibited and will not be tolerated: race, creed, color, national origin, nationality, ancestry, age, sex/gender (including pregnancy), marital status, civil union status, domestic partnership status, familial status, religion, affectional or sexual orientation, gender identity or expression, atypical hereditary cellular or blood trait, genetic information, liability for service in the Armed Forces of the United States, or disability.

To achieve the goal of maintaining a work environment free from discrimination and harassment, the State of New Jersey strictly prohibits the conduct that is described in this policy. This is a zero tolerance policy. This means that the state and its agencies reserve the right to take either disciplinary action, if appropriate, or other corrective action, to address any unacceptable conduct that violates this policy, regardless of whether the conduct satisfies the legal definition of discrimination or harassment.

b. Applicability

Prohibited discrimination/harassment undermines the integrity of the employment relationship, compromises equal employment opportunity, debilitates morale and interferes with work productivity. Thus, this policy applies to all employees and applicants for employment in State departments, commissions, State colleges or universities, agencies, and authorities (hereafter referred to in this section as “State agencies” or “State agency”). The State of New Jersey will not tolerate harassment or discrimination by anyone in the workplace including supervisors, co-workers, or persons doing business with the State. This policy also applies to both conduct that occurs in the workplace and conduct that occurs at any location which can be reasonably regarded as an extension of the workplace (any field location, any off-site business-related social function, or any facility where State business is being conducted and discussed).

This policy also applies to third party harassment. Third party harassment is unwelcome behavior involving any of the protected categories referred to in (a) above that is not directed at an individual but exists in the workplace and interferes with an individual’s ability to do his or her job. Third party harassment based upon any of the aforementioned protected categories is prohibited by this policy.

II. PROHIBITED CONDUCT

a. Defined

It is a violation of this policy to engage in any employment practice or procedure that treats an individual less favorably based upon any of the protected categories referred to in I (a) above. This policy pertains to all employment practices such as recruitment, selection, hiring, training, promotion, transfer, assignment, layoff, return from layoff, termination, demotion, discipline, compensation, fringe benefits, working conditions and career development.

It is also a violation of this policy to use derogatory or demeaning references regarding a person's race, gender, age, religion, disability, affectional or sexual orientation, ethnic background, or any other protected category set forth in I(a) above. A violation of this policy can occur even if there was no intent on the part of an individual to harass or demean another.

Examples of behaviors that may constitute a violation of this policy include, but are not limited to:

- Discriminating against an individual with regard to terms and conditions of employment because of being in one or more of the protected categories referred to in I(a) above;
- Treating an individual differently because of the individual's race, color, national origin or other protected category, or because an individual has the physical, cultural or linguistic characteristics of a racial, religious, or other protected category;
- Treating an individual differently because of marriage to, civil union to, domestic partnership with, or association with persons of a racial, religious or other protected category; or due to the individual's membership in or association with an organization identified with the interests of a certain racial, religious or other protected category; or because an individual's name, domestic partner's name, or spouse's name is associated with a certain racial, religious or other protected category;
- Calling an individual by an unwanted nickname that refers to one or more of the above protected categories, or telling jokes pertaining to one or more protected categories;
- Using derogatory references with regard to any of the protected categories in any communication;
- Engaging in threatening, intimidating, or hostile acts toward another individual in

the workplace because that individual belongs to, or is associated with, any of the protected categories; or

- Displaying or distributing material (including electronic communications) in the workplace that contains derogatory or demeaning language or images pertaining to any of the protected categories.

b. Sexual Harassment

It is a violation of this policy to engage in sexual (or gender-based) harassment of any kind, including hostile work environment harassment, quid pro quo harassment, or same-sex harassment. For the purposes of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission Guidelines, as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when, for example:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Examples of prohibited behaviors that may constitute sexual harassment and are therefore a violation of this policy include, but are not limited to:

- Generalized gender-based remarks and comments;
- Unwanted physical contact such as intentional touching, grabbing, pinching, brushing against another's body or impeding or blocking movement;
- Verbal, written or electronic sexually suggestive or obscene comments, jokes or propositions including letters, notes, e-mail, text messages, invitations, gestures or inappropriate comments about a person's clothing;
- Visual contact, such as leering or staring at another's body; gesturing; displaying sexually suggestive objects, cartoons, posters, magazines or pictures of scantily-clad individuals; or displaying sexually suggestive material on a bulletin board, on a locker room wall, or on a screen saver;

- Explicit or implicit suggestions of sex by a supervisor or manager in return for a favorable employment action such as hiring, compensation, promotion, or retention;
- Suggesting or implying that failure to accept a request for a date or sex would result in an adverse employment consequence with respect to any employment practice such as performance evaluation or promotional opportunity; or
- Continuing to engage in certain behaviors of a sexual nature after an objection has been raised by the target of such inappropriate behavior.

III. EMPLOYEE RESPONSIBILITIES

Any employee who believes that she or he has been subjected to any form of prohibited discrimination/harassment, or who witnesses others being subjected to such discrimination/harassment is encouraged to promptly report the incident(s) to a supervisor or directly to the State agency's Equal Employment Opportunity/Affirmative Action Officer or to any other persons designated by the State agency to receive workplace discrimination complaints.

All employees are expected to cooperate with investigations undertaken pursuant to VI below. Failure to cooperate in an investigation may result in administrative and/or disciplinary action, up to and including termination of employment.

IV. SUPERVISOR RESPONSIBILITIES

Supervisors shall make every effort to maintain a work environment that is free from any form of prohibited discrimination/harassment. Supervisors shall immediately refer allegations of prohibited discrimination/harassment to the State agency's Equal Employment Opportunity/Affirmative Action Officer, or any other individual designated by the State agency to receive complaints of workplace discrimination/harassment. A supervisor's failure to comply with these requirements may result in administrative and/or disciplinary action, up to and including termination of employment. For purposes of this section and in the State of New Jersey Model Procedures for Processing Internal Complaints Alleging Discrimination in the Workplace (Model Procedures), a supervisor is defined broadly to include any manager or other individual who has authority to control the work environment of any other staff member (for example, a project leader).

V. DISSEMINATION

Each State agency shall annually distribute the policy described in this section, or a summarized notice of it, to all of its employees, including part-time and seasonal employees. The policy, or summarized notice of it, shall also be posted in conspicuous locations throughout the buildings and grounds of each State agency (that is, on bulletin boards or on the State agency's intranet site). The Department of the Treasury shall

distribute the policy to State-wide vendors/contractors, whereas each State agency shall distribute the policy to vendors/contractors with whom the State agency has a direct relationship.

VI. COMPLAINT PROCESS

Each State agency shall follow the Model Procedures with regard to reporting, investigating, and where appropriate, remediating claims of discrimination/harassment. See N.J.A.C. 4A:7-3.2. Each State agency is responsible for designating an individual or individuals to receive complaints of discrimination/harassment, investigating such complaints, and recommending appropriate remediation of such complaints. In addition to the Equal Employment Opportunity/Affirmative Action Officer, each State agency shall designate an alternate person to receive claims of discrimination/harassment.

All investigations of discrimination/harassment claims shall be conducted in a way that respects, to the extent possible, the privacy of all the persons involved. The investigations shall be conducted in a prompt, thorough and impartial manner. The results of the investigation shall be forwarded to the respective State agency head to make a final decision as to whether a violation of the policy has been substantiated.

Where a violation of this policy is found to have occurred, the State agency shall take prompt and appropriate remedial action to stop the behavior and deter its reoccurrence. The State agency shall also have the authority to take prompt and appropriate remedial action, such as moving two employees apart, before a final determination has been made regarding whether a violation of this policy has occurred.

The remedial action taken may include counseling, training, intervention, mediation, and/or the initiation of disciplinary action up to and including termination of employment.

Each State agency shall maintain a written record of the discrimination/harassment complaints received. Written records shall be maintained as confidential records to the extent practicable and appropriate.

VII. PROHIBITION AGAINST RETALIATION

Retaliation against any employee who alleges that she or he was the victim of discrimination/harassment, provides information in the course of an investigation into claims of discrimination/harassment in the workplace, or opposes a discriminatory practice, is prohibited by this policy. No employee bringing a complaint, providing information for an investigation, or testifying in any proceeding under this policy shall be subjected to adverse employment consequences based upon such involvement or be the subject of other retaliation.

Following are examples of prohibited actions taken against an employee because the

employee has engaged in activity protected by this subsection:

- Termination of an employee;
- Failing to promote an employee;
- Altering an employee's work assignment for reasons other than legitimate business reasons;
- Imposing or threatening to impose disciplinary action on an employee for reasons other than legitimate business reasons; or
- Ostracizing an employee (for example, excluding an employee from an activity or privilege offered or provided to all other employees)

VIII. FALSE ACCUSATIONS AND INFORMATION

An employee who knowingly makes a false accusation of prohibited discrimination/harassment or knowingly provides false information in the course of an investigation of a complaint, may be subjected to administrative and/or disciplinary action, up to and including termination of employment. Complaints made in good faith, however, even if found to be unsubstantiated, shall not be considered a false accusation.

IX. CONFIDENTIALITY

All complaints and investigations shall be handled, to the extent possible, in a manner that will protect the privacy interests of those involved. To the extent practical and appropriate under the circumstances, confidentiality shall be maintained throughout the investigatory process. In the course of an investigation, it may be necessary to discuss the claims with the person(s) against whom the complaint was filed and other persons who may have relevant knowledge or who have a legitimate need to know about the matter. All persons interviewed, including witnesses, shall be directed not to discuss any aspect of the investigation with others in light of the important privacy interests of all concerned. Failure to comply with this confidentiality directive may result in administrative and/or disciplinary action, up to and including termination of employment.

X. ADMINISTRATIVE AND/OR DISCIPLINARY ACTION

Any employee found to have violated any portion or portions of this policy may be subject to appropriate administrative and/or disciplinary action which may include, but which shall not be limited to: referral for training, referral for counseling, written or verbal reprimand, suspension, reassignment, demotion or termination of employment. Referral to another appropriate authority for review for possible violation of State and Federal statutes may also be appropriate.

XI. TRAINING

All State agencies shall provide all new employees with training on the policy and procedures set forth in this section within a reasonable period of time after each new

employee's appointment date. Refresher training shall be provided to all employees, including supervisors, within a reasonable period of time. All State agencies shall also provide supervisors with training on a regular basis regarding their obligations and duties under the policy and regarding procedures set forth in this section.
