Re: OPRA request received October 12, 2021

Dear Ms. Todd:

The New Jersey Educational Facilities Authority (“NJFEA” or the “Authority”) received your Open Public Records Act (“OPRA”) request October 12, 2021. The official Records Custodian, Jamie O’Donnell, also received your OPRA request on October 12, 2021. As such, the seven (7) business day deadline to respond to your request is October 21, 2021. This response to your request is being provided to you on the 7th business day after the custodian’s receipt of said request.

Your OPRA request sought access to the following:

NJFEA’s latest investment report available in 2021, including the managers in the portfolio and their market values as well as the asset allocation vs their targets.

On behalf of the Records Custodian for NJFEA, we are providing NJFEA’s 2021 [Annual Report](#).

NJFEA is an independent state authority and provides conduit debt financing for New Jersey higher education institutions such as colleges and universities. NJFEA is not an investment bank.

NJFEA does not have any documents responsive to the items requested. As such, your OPRA request has been closed.

This response does not waive or limit any other rights afforded this Authority under OPRA, which are all expressly reserved. If you have any further questions please contact Jamie O’Donnell, Custodian of Records, New Jersey Educational Facilities Authority at jamie.odonnell@njefa.nj.gov.

Sincerely,

/s/ Jamie O’Donnell

Records Custodian
